

Ventura County Community College District

MEDICAL PANEL

This list is comprised of medical facilities to be used when an industrial (on-the-job) injury has occurred. Use a Treatment Referral Form" to introduce the employee to the medical facility.

KEENAN & ASSOCIATES
2355 Crenshaw Blvd, Suite 200
PO Box 4328
Torrance, CA 90501
(800) 654-8102; (310) 212-3344
Fax: (310) 212-0333

In the event an employee has predesignated a personal physician, the employee is authorized to treat with the personal physician, provided the injury is within the area of expertise of the predesignated physician. Call the Workers' Compensation Specialist to verify that proper predesignated form is on file prior to the referral.

If the predesignated physician needs to refer the employee to a specialist for additional treatment and/or diagnostic testing. Keenan & Associates must grant the authorization prior to the referral. **Do not send injured employees directly to a specialist; employees must be seen by one of the providers listed below.**

These medical facilities will bill Keenan & Associates directly for medical treatment.
