Consolidated Appropriations Act of 2021 Notice

Consolidated Appropriations Act of 2021 (CAA)

The Consolidated Appropriations Act of 2021 (CAA) is a federal law that includes the No Surprises Act as well as the Provider transparency requirements that are described below.

The CAA provisions within this Plan apply unless state law or any other provisions within this Plan are more advantageous to you.

Federal Surprise Billing Claims

Surprise Billing Claims are claims that are subject to the No Surprises Act requirements:

- Out-of-Network Air Ambulance Services.

No Surprises Act Requirements

Out-of-Network Air Ambulance Services

When you receive Covered Services from an Out-of-Network Air Ambulance Provider, your Out-of-Pocket costs will be limited to amounts that would apply if the Covered Service had been furnished by an In-Network Air Ambulance Provider.

How Cost-Shares Are Calculated

Your Cost Shares for Federal Surprise Billing Claims will be calculated based on the Recognized Amount. Any Out-of-Pocket Cost Shares you pay to an Out-of-Network Provider for Covered Services provided by an Out-of-Network Air Ambulance Service Provider will be applied to your In-Network Out-of-Pocket Limit.

Appeals

If you receive Out-of-Network Air Ambulance Services and believe those services are covered by the No Surprise Billing Act, you have the right to appeal that claim. If your appeal of a Federal Surprise Billing Claim is denied, then you have a right to appeal the adverse decision to an Independent Review Organization as set out in the "Grievance And External Review Procedures" section of this Benefit Book.

Provider Directories

Anthem is required to confirm the list of In-Network Providers in its Provider Directory every 90 days. If you can show that you received inaccurate information from Anthem that a Provider was In-Network on a particular claim, then you will only be liable for In-Network Cost Shares (i.e., Copayments, Deductibles, and/or Coinsurance) for that claim. Your In-Network Cost Shares will be calculated based upon the Negotiated Fee Rate.

Transparency Requirements

Anthem provides the following information on its website (i.e., www.anthem.com):

Protections with respect to Federal Surprise Billing Claims by Providers, including information on how to contact state and federal agencies if you believe a Provider has violated the No Surprises Act.

You may also obtain the following information on Anthem's website or by calling Member Services at the phone number on the back of your ID Card:

- Cost Sharing information for 500 defined services, as required by the Centers for Medicare & Medicaid Services (CMS); and
- A listing / directory of all In-Network Providers.

In addition, Anthem will provide access through its website to the following information:

- In-Network negotiated rates; and
- Historical Out-of-Network rates; and
- Drug pricing information.

Federal Patient Protection and Affordable Care Act Notices

Choice of Primary Care Physician

We generally allow the designation of a Primary Care Physician (PCP). You have the right to designate any PCP who participates in the Medical Group you have been assigned to and who is available to accept you or your family members. For information on how to select a PCP, and for a list of PCPs, contact the telephone number on the back of your Identification Card or refer to our website, www.anthem.com. For children, you may designate a pediatrician as the PCP.

Access to Obstetrical and Gynecological (ObGyn) Care

You do not need prior authorization from us or from any other person (including a PCP) in order to obtain access to obstetrical or gynecological care from a health care professional who specializes in obstetrics or gynecology and who is in your Medical Group, or who has an arrangement with your Medical Group to provide care for its patients and has been identified by your Medical Group as available for providing obstetrical and gynecological care. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making Referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the telephone number on the back of your Identification Card or refer to our website, www.anthem.com.

Additional Federal Notices

Statement of Rights under the Newborns' and Mother's Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the Plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Statement of Rights under the Women's Cancer Rights Act of 1998

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending Physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same Deductibles and Coinsurance applicable to other medical and surgical benefits provided under this Plan. (See the "Schedule of Benefits" for details.) If you would like more information on WHCRA benefits, call us at the number on the back of your Identification Card.

Coverage for a Child Due to a Qualified Medical Support Order ("QMCSO")

If you or your spouse is required, due to a QMCSO, to provide coverage for your child(ren), you may ask the Group to provide you, without charge, a written statement outlining the procedures for getting coverage for such child(ren).

Mental Health Parity and Addiction Equity Act

The Mental Health Parity and Addiction Equity Act provides for parity in the application of aggregate treatment limitations (day or visit limits) on mental health and substance use disorder benefits with day or visit limits on medical and surgical benefits. In general, group health plans offering mental health and substance use disorder benefits cannot set day/visit limits on mental health or substance use disorder benefits that are lower than any such day or visit limits for medical and surgical benefits. A plan that does not impose day or visit limits on medical and surgical benefits may not impose such day or visit limits on mental health and substance use disorder benefits offered under the Plan.

The Mental Health Parity and Addiction Equity Act also provides for parity in the application of nonquantitative treatment limitations (NQTL). An example of a nonquantitative treatment limitation is a precertification requirement.

Also, the Plan may not impose Deductibles, Copayment, Coinsurance, and out of pocket expenses on mental health and substance use disorder benefits that are more restrictive than Deductibles, Copayment, Coinsurance and out of pocket expenses applicable to other medical and surgical benefits. Medical Necessity criteria and other plan documents showing comparative criteria, as well as the processes, strategies, evidentiary standards, and other factors used to apply an NQTL are available upon request.

Notices Required by State Law

Some Hospitals and other Providers do not provide one or more of the following services that may be covered under your Plan Contract and that you or your Dependent might need:

- **Family planning;**
- **Contraceptive services, including Emergency contraception;**
- **Sterilization, including tubal ligation at the time of labor and delivery;**
- **Infertility treatments; or**
- **Abortion.**

You should obtain more information before you enroll. Call your prospective Doctor, Medical Group, independent practice association, or clinic, or call Member Services toll free at the telephone number on the back of your Identification Card to ensure that you can obtain the health care services that you need.

Notice of Non-Discrimination

Anthem Blue Cross does not discriminate on the basis of race, color, national origin, ancestry, religion, sex, marital status, gender, gender identity, sexual orientation, age, or disability.

For information on how to file a complaint, please see "Grievance And External Review Procedures." To file a discrimination complaint, please see "Getting Help In Your Language" at the end of this Booklet.

Confidential Communications of Medical Information

Any Member, including an adult or a minor who can consent to a health care service without the consent of a parent or legal guardian, pursuant to state or federal law, may request confidential communication, either in writing or electronically. A request for confidential communication can be sent in writing to Anthem Blue Cross, P.O. Box 60007, Los Angeles, CA 90060-0007. An electronic request can be made by following steps at our website, www.anthem.com. You may also call Member Services at the phone number on the back of your Identification Card for more details.

The confidential communication request will apply to all communications that disclose medical information or a Provider's name and address related to the medical services received by the individual requesting the confidential communication.

A confidential communication request will be valid until either a revocation of the request is received from the Member who initially requested the confidential communication, or a new confidential communication request is received.

Anthem will implement the confidential communication request within seven (7) calendar days of receiving an electronic request or a request by phone, or within fourteen (14) calendar days from the date we receive a written request by first-class mail. We will also acknowledge that we received the request and will provide status if the Member contacts us.

Telehealth Provider Visits

Seeing a Provider by phone or video is a convenient way to get the care you need. Anthem contracts with telehealth companies to give you access to this kind of care. We want to make sure you know how your health benefits work when you see one of these Providers:

- Your Plan covers the telehealth visit just like an office visit with a Provider in your Plan's network.
- Any out-of-pocket costs you have from the telehealth visit count toward your Plan's Deductible and Out-of-Pocket Limit, just like any other care you receive.
- You have a right to review the medical records from your telehealth visit.
- If we have the necessary information, your medical records from your telehealth visit will be shared with your current and established Primary Care Provider as permitted by state and federal law, unless you tell us not to share them.

Our top priority is making sure you can get the healthcare you need, when you need it. If you have questions about how your Plan covers telehealth visits, log in to www.anthem.com to view your benefits. Or call us at the Member Services number on your ID Card.

Community Assistance, Recovery, and Empowerment (CARE) Act

Benefits are provided for all health care services or Prescription Drugs a Member receives when required or recommended for the Member pursuant to a CARE agreement or CARE plan approved by a court in accordance with the court's authority under Sections 5977.1, 5977.2, 5977.3, and 5982 of the Welfare and Institutions Code. Anthem will cover the cost of developing an evaluation pursuant to Section 5977.1 of the Welfare and Institutions Code and the provision of all healthcare services for a Member when required or recommended for the Member pursuant to a CARE agreement or a CARE plan approved by a court in accordance with the court's authority, regardless of whether the service is provided by an In Network or Out of Network Provider.

Precertification is not required for Covered Services in this provision, except for Prescription Drugs which will still require prior authorization. Covered Services under this provision are subject to post claims review, however, to determine appropriate payment of a claim. Payment for Covered Services in this provision may be denied only if we reasonably determine that you were not insured at the time of service, that the services were never performed, or that the services were not provided by a health care Provider appropriately licensed to provide the services.

Services provided to a Member pursuant to a CARE agreement or CARE plan, excluding Prescription Drugs, are not subject to a Copayment, Coinsurance or Deductible. Members cannot be billed for any services pursuant to a CARE agreement or CARE plan, regardless if the services are received from In-Network or Out-of-Network Providers.

Cost Shares for Prescription Drugs are subject to your Plan's benefits. Please see the "Schedule of Benefits" for details on your Cost Shares. Also, for more information on covered Prescription Drugs, please refer to your Plan's "Prescription Drug Retail Pharmacy and Home Delivery (Mail Order)" and "Prescription Drugs Administered by a Medical Provider" benefits.

Timely Access to Care

Anthem has contracted with health care service Providers to provide Covered Services in a manner appropriate for your condition, consistent with good professional practice. Anthem ensures that its contracted Provider networks have the capacity and availability to offer appointments within the timeframes specified below. Where there is no In-Network Provider available for Medically Necessary Covered Service, Anthem may provide a Referral. Please read the "Claims Payment" section for additional information on Referrals.

For Medical care:

- **Urgent Care appointments for services that do not require prior authorization:** within forty-eight (48) hours of the request for an appointment;
- **Urgent Care appointments for services that require prior authorization:** within ninety-six (96) hours of the request for an appointment;
- **Non-Urgent appointments for primary care:** within ten (10) business days of the request for an appointment;
- **Non-Urgent appointments with Specialists:** within fifteen (15) business days of the request for an appointment;
- **Appointments for ancillary services (diagnosis or treatment of an injury, illness or other health condition) that are not urgent care:** within fifteen (15) business days of the request for an appointment.

For Mental Health and Substance Use Disorder care:

- **Urgent Care appointments for services that do not require prior authorization:** within forty-eight (48) hours of the request for an appointment;
- **Urgent Care appointments for services that require prior authorization:** within ninety-six (96) hours of the request for an appointment;

- **Non-Urgent follow up appointments with mental health and substance use disorder providers who are not psychiatrists:** within ten (10) business days of the prior appointment for those undergoing a course of treatment for an ongoing Mental Health or Substance Use Disorder condition. This does not limit coverage to once every 10 business days;
- **Non-Urgent appointments with mental health and substance use disorder providers who are psychiatrists:** within fifteen (15) business days of the request for an appointment. Due to accreditation standards, the date will be ten (10) business days for the initial appointment only.

If a health care Provider determines that the waiting time for an appointment can be extended without a detrimental impact on your health, the Provider may schedule an appointment for a later time than noted above.

Anthem arranges for telephone triage or screening services for you twenty-four (24) hours per day, seven (7) days per week with a waiting time of no more than thirty (30) minutes. If Anthem contracts with a health care service Provider for telephone triage or screening services, the Provider will utilize a telephone answering machine and/or an answering service and/or office staff, during and after business hours, to inform you of the wait time for a return call from the Provider or how the Member may obtain Urgent or Emergency Care or how to contact another Provider who is on-call for telephone triage or screening services. "Triage" or "screening" means the assessment of the Member's health concerns and symptoms via communication, with a Physician, registered nurse, or other qualified health professional acting within their scope of practice and who is trained to screen or triage a Member who may need care, for the purpose of determining the urgency of the Member's need for care.

For Vision care:

- **Urgent Care appointments:** within seventy-two (72) hours of the request for an appointment;
- **Non-Urgent appointments:** within thirty-six (36) business days of the request for an appointment;

- **Preventive vision care appointments:** within forty (40) business days of the request for an appointment;
- **After-hours care (when a vision provider's office is closed):** In-Network Providers are required to have an answering service or a telephone answering machine during non-business hours, which will provide instructions on how you can obtain Urgent or Emergency Care including, when applicable, how to contact another vision provider who has agreed to be on-call to triage or screen by phone, or if needed, deliver Urgent or Emergency Care;
- **Question for Anthem's Member Services by telephone on how to get care or solve a problem:** ten (10) minutes to reach a live person by phone during normal business hours.

For Medical and Vision care:

If you need the services of an interpreter, the services will be coordinated with scheduled appointments and will not result in a delay of an In-Network appointment.

Introduction

Welcome to Anthem!

We are pleased that you have become a Member of our health benefit Plan. We want to make sure that our services are easy to use. We've designed this Booklet to give a clear description of your benefits, as well as our rules and procedures.

The Booklet explains many of the rights and duties between you and us. It also describes how to get health care, what services are covered, and what part of the costs you will need to pay. Many parts of this Booklet are related. Therefore, reading just one or two sections may not give you a full understanding of your coverage. You should read the whole Booklet to know the terms of your coverage. **This Booklet constitutes only a summary of the health Plan. The health Plan Contract (Group Contract) must be consulted to determine the exact terms and conditions of coverage.**

Please read this Booklet completely and carefully. Individuals with special health care needs should carefully read those sections that apply to them. YOU HAVE THE RIGHT TO VIEW THE BOOKLET PRIOR TO ENROLLMENT.

Your Group has agreed to be subject to the terms and conditions of Anthem's Provider agreements which may include pre-service review and utilization management requirements, coordination of benefits, timely filing limits, and other requirements to administer the benefits under this Plan.

This Booklet replaces any Booklet issued to you in the past. The coverage described is based upon the terms of the Group Contract issued to your Group, and the Plan that your Group chose for you. The Agreement, this Booklet, and any endorsements, amendments or riders attached, form the entire legal Contract under which Covered Services are available.

Many words used in the Booklet have special meanings (e.g., Group, Covered Services, and Medical Necessity). These words are capitalized and are defined in the "Definitions" section. See these definitions for the best understanding of what is being stated. Throughout this Booklet you will also see references to "we," "us," "our," "you," and "your." The words "we," "us," and "our" mean Blue Cross of California dba Anthem Blue Cross (Anthem). The words "you" and "your" mean the Member, Subscriber and each covered Dependent.

In addition, prescription drugs you get at a drugstore or mail order are not covered under this Plan, unless they are administered at your doctor's office. Benefits for prescription drugs that you take yourself are covered under another plan provided by your employer.

If you have any questions about your Plan, please be sure to call Member Services at the number on the back of your Identification Card. Also be sure to check our website, www.anthem.com for details on how to find a Provider, get answers to questions, and access valuable health and wellness tips. Thank you again for enrolling in the Plan!

How to Get Language Assistance

Anthem introduced its Language Assistance Program to provide certain written translation and oral interpretation services to California Members with limited English proficiency.

The Language Assistance Program makes it possible for you to access oral interpretation services and certain written materials vital to understanding your health coverage in a timely manner. Interpretation services are offered to you at no cost, even if you are accompanied by a family member or friend who can provide interpretation services.

Written materials available for translation include Grievance and appeal letters, consent forms, claim denial letters, and explanations of benefits. These materials are available in the top 15 languages.

Oral interpretation services are also available in these languages.

In addition, appropriate auxiliary aids and services, including qualified interpreters for individuals with disabilities and information in alternate formats are also available, free of charge and in a timely manner, when those aids and services are necessary to ensure an equal opportunity for individuals with disabilities to effectively communicate with us.

Requesting a written or oral translation is easy. Just contact Member Services by calling the phone number on your Identification Card to update your language preference to receive future translated documents or to request interpretation assistance. Anthem also sends/receives TDD/TTY messages at (866) 333-4823 or by using the National Relay Service through 711. A special operator will get in touch with us to help with your needs. For more information about the Language Assistance Program visit www.anthem.com.

Schedule of Benefits

A HMO PLAN

In this section you will find a Schedule of Benefits that sets forth a summary of common benefits available under your Plan. The Schedule of Benefits does not list all benefits available under your Plan or their Cost Shares, or explain benefits, exclusions, limitations, Cost Shares, Deductibles or out of pocket limits. For a complete explanation, you should read the whole Booklet to know the terms of your coverage because many parts of this Booklet are related. Therefore, reading just one or two sections may not give you a full understanding of your coverage. Please read the "What's Covered" section for more details on the Plan's Covered Services. Read the "What's Not Covered" section for details on Excluded Services.

All Covered Services must be Medically Necessary and are subject to the conditions, Exclusions, limitations, and terms of this Booklet including any endorsements, amendments, or riders.

IMPORTANT NOTE: To get benefits under this Plan, you must get Covered Services from an In-Network Provider. Services from an Out-of-Network Provider are not covered, except for Emergency Care, Out-of-Area Urgent Care, and services previously approved as Authorized Referrals. If you have requested services from an Out-of-Network Provider, please contact us before you have received the service in order to make sure that we have approved the service as an Authorized Referral.

Certain services require prior authorization in order for benefits to be provided. In-Network Providers will initiate the review on your behalf. You may ask an Out-of-Network Provider to call the toll free number on your ID card to initiate the review for you. Remember that services provided by an Anthem HMO Out-of-Network Provider are covered only if they are Emergency services, Out-of-Area Urgent Care or services for which you received a Referral. In non-Emergency and non-Out-of-Area Urgent Care situations, it is your responsibility to initiate the process and ask your Physician to request prior authorization. You may also call us directly. Please see "Getting Approval for Benefits" for more details.

Benefits are based on the Negotiated Fee Rate or, for Out-of-Network Emergency, Out-of-Area Urgent Care and an Authorized Referral, the Reasonable and Customary Value, which is the most the Plan will allow for a Covered Service. Please read the "Claims Payment" section for more details.

Deductibles, Coinsurance, and Benefit Period Maximums are calculated based upon the Negotiated Fee Rate, or for Out-of-Network Emergency, Out-of-Area Urgent Care and Authorized Referrals, the Customary and Reasonable Charge, not the Provider's billed charges. Cost Sharing for services with Copayments is the lesser of the Copayment amount or the Negotiated Fee Rate.

Benefit Period	Calendar Year
Dependent Age Limit	To the end of the month in which the child attains age 26. Please see the "Eligibility and Enrollment – Adding Members" section for further details.

Deductible	In-Network
Per Member	No Deductible
Per Family – All other Members combined	No Deductible

Coinsurance	In-Network
Plan Pays	100%
Member Pays	0%

Reminder: Your Coinsurance will be based on the Negotiated Fee Rate. For Federal Surprise Billing Claims, if you use an approved Out-of-Network Provider, you may have to pay Coinsurance.

Note: The Coinsurance listed above may not apply to all benefits, and some benefits may have a different Coinsurance. Please see the rest of this Schedule for details.

Out-of-Pocket Limit	In-Network
Per Member	$1,000
Per Family – All other Members combined	$2,000

Family Out-of-Pocket Limit: For any given Member, the Out-of-Pocket Limit is met either after he/she meets their individual Out-of-Pocket Limit, or after the entire family Out-of-Pocket Limit is met. The family Out-of-Pocket Limit can be met by any combination of amounts from any Member; however, no one Member may contribute any more than his/her individual Out-of-Pocket Limit toward the family Out-of-Pocket Limit.

The Out-of-Pocket Limit includes all Coinsurance and Copayments you pay during a Benefit Period, except it does not include charges over the allowed amount or charges for non-Covered Services.

Once the Out-of-Pocket Limit is satisfied, you will not have to pay any additional Coinsurance or Copayments for the rest of the Benefit Period.

The Out-of-Pocket Limit does not include amounts you pay for the following:

- Expense which is incurred under the Infertility benefit.

Important Notice about Your Deductible and Out of Pocket Limit Accrual Balances

We are required to provide you with the accrual towards your Deductible(s), if any, and Out of Pocket Limit balance(s) every month in which your benefits were used until the accrual balances equal the full amount of the Deductible(s) and/or Out of Pocket Limit(s). If you have questions or wish to opt-out of

these mailed accrual notifications and receive the notifications electronically, call the Member Services number on the back of your ID Card or access our website at www.anthem.com.

Important Notice about Your Cost Shares

In certain cases, if we pay a Provider amounts that are your responsibility, such as Deductibles, Copayments or Coinsurance, we may collect such amounts directly from you. You agree that we have the right to collect such amounts from you.

When you receive Emergency services (except certain ambulance services) from an Out-of-Network Provider within California, you will not be responsible for amounts in excess of the Reasonable and Customary Value.

The tables below outline common Covered Services and the Cost Shares you must pay. The table does not list all Covered Services available under your Plan, nor does it list within each Covered Service all settings where that service may be received. If a benefit is available in another setting you may determine the applicable Cost Shares you must pay by referring to that setting. For example, you might get physical therapy in a Doctor's office, an outpatient Hospital Facility, or during an inpatient Hospital stay. For services in the office, look up "Office and Home Visits." For services in the outpatient department of a Hospital, look up "Outpatient Facility Services." For services during an inpatient stay, look up "Inpatient Services." For services involving mental health, substance use disorder, or behavioral health treatment for autism spectrum disorders, look up "Mental Health and Substance Use Disorder (Chemical Dependency) Services."

Chiropractic and Acupuncture Care Services

Benefits described in this section are provided through an agreement between Anthem Blue Cross and American Specialty Health Plans of California, Inc. (ASH Plans). **The services described in this**

section are covered only if provided by a chiropractor or acupuncturist that is an In-Network Provider.

These benefits are in addition to the benefits described in the "Therapy Services" provisions in the "Schedule of Benefits" section of this Plan. **However, when you are treated by chiropractor or acupuncturist that is an In-Network Provider, services will not be covered other than those benefits specifically described in this section.**

Choosing a Chiropractor or Acupuncturist that is an In-Network Provider. We publish a directory of chiropractors or acupuncturists that are In-Network Providers. You can get a directory from your plan administrator (usually your employer) or from us. The directory lists all chiropractors or acupuncturists that are In-Network Providers in your area. You may call us at the Member Services number listed on your ID card or you may write to us and ask us to send you a directory. You may also search for chiropractors or acupuncturists that are In-Network Providers using the "Provider Finder" function on our website at www.anthem.com/ca and select the HMO Chiropractic/Acupuncture Network (ASH Plans).

Your First Visit. You must make an appointment with a chiropractor or acupuncturist that is an In-Network Provider for an examination of your condition. You do not need a referral from your Medical Group or Primary Care Physician to see a chiropractor or acupuncturist that is an In-Network Provider. Please remember to bring your Member ID card.

Services Must be Approved. All services must be approved as Medically Necessary, except for:

- An initial new patient exam by a chiropractor or acupuncturists that are In-Network Provider and the provision or commencement, during the initial new patient exam, of Medically Necessary services that are chiropractic and acupuncture services, to the extent services are consistent with professionally recognized, valid, evidence-based standards of practice; and
- Emergency services.

If additional services are required after the initial new patient exam and they are approved as Medically Necessary, you are covered up to the maximum number of visits shown below.

All visits will be applied towards the maximum number of visits in a Benefit Period.

Services Not Approved. A chiropractor or acupuncturists that is an In-Network Provider may provide non-Covered Services. However, you must agree in writing, before receiving non-Covered Services, to pay for them yourself. If a chiropractor or acupuncturists that is an In-Network Provider provides non-Covered Services without obtaining your written acknowledgment prior to providing the non-Covered Services, you will not be financially responsible to pay the provider for such non-Covered Services.

How Your Plan Works

Introduction

Your Plan is an HMO (Health Maintenance Organization) plan. **To get benefits for Covered Services, you must first visit a Primary Care Physician (PCP) from your Medical Group. Please see the "Medical Groups" and "Primary Care Physicians / Providers (PCP)" sections below for more information. You must use In-Network Providers, unless we have approved an Authorized Referral or if your care involves Emergency Care or Out-of-Area Urgent Care.** (**Note**: If you receive services from an In-Network Facility in California, at which or as a result of which, you receive non-Emergency Covered Services provided by an Out-of-Network Provider (State Surprise Billing Claims), you will pay the Out-of-Network Provider no more than the same Cost Sharing that you would pay for the same Covered Services received from an In-Network Provider. Please see "Member Cost Share" in the "Claims Payment" section for more information.)

To find an In-Network Provider for this Plan, please see "How to Find a Provider in the Network," later in this section.

THE SERVICES OF THIS PLAN ARE PROVIDED ONLY WHEN PERFORMED, PRESCRIBED, DIRECTED OR AUTHORIZED AS MEDICALLY NECESSARY.

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

In-Network Provider Services

When you get care from an In-Network Provider or as part of an Authorized Referral, benefits are available for Covered Services. Benefits will be denied for care that is not a Covered Service. Please note, except for obstetrical/gynecological care, Reproductive or Sexual Health Care Services, Services provided under the "Chiropractic and Acupuncture Care Services" benefit in the Schedule of Benefits, Virtual Visits with our online partners through our mobile app and Mental Health and Substance Use Disorder care, Anthem, your Medical Group or Primary Care Physician is responsible for authorizing all the care you receive. Please see the "Getting Approval for Benefits" section for more information. If you are ever in doubt, contact them or Member Services at the number listed on the back of your ID card.

It is important to understand that Anthem has many contracting Providers who may not be part of your Plan's network of Providers. Do not assume that an Anthem Provider is participating in the network of Providers participating on your Plan. There are no benefits provided when using an Out-of-Network Provider and you may be responsible for the total amount billed by an Out-of-Network Provider. The only exceptions are services received from an Out-of-Network Provider as a result of an Emergency Medical Condition, Out-of-Area Urgent Care or an Authorized Referral, or certain non-Emergency Covered Services that you receive from Out-of-Network Providers while you are receiving services from an In-Network Facility. Please see "Member Cost Share" in the "Claims Payment" section for more information.

If you receive Covered Services from an Out-of-Network Provider after we failed to provide you with accurate information in our Provider Directory, or after we failed to respond to your telephone or web-based inquiry within the time required by federal law, Covered Services will be covered at the In-Network level.

Medical Groups

A group of Physicians, organized as a legal entity, which has an agreement in effect with Anthem HMO to provide you with a wide range of medical services and supplies for which you are covered under this Plan. The group may be organized as an In-Network Medical Group (PMG) or Independent Practice Association (IPA), hereafter referred to as Medical Group. Each Member is required, at the time of enrollment, to select a Medical Group and/or PCP to provide services covered under this Plan. However, in the event the Subscriber does not indicate his or her selection on the enrollment form, Anthem will assign the Subscriber to a Medical Group nearest to the Subscriber's residence.

Primary Care Physicians / Providers (PCP)

When you, the Subscriber, enrolled, you were asked to choose an Anthem HMO Medical Group. From this Medical Group, which is staffed by a team of Physicians and nurses, you choose your own Primary Care Physician (PCP). PCPs include general practitioners, internists, family practitioners, pediatricians, obstetricians & gynecologists, and geriatricians. Each Member should choose a PCP who is listed in the Provider directory. Each Member of a family may select a different Primary Care Physician. For example, an internist or general practitioner may be chosen for adults and a pediatrician may be selected for children. If you want to change your PCP, call us or see our website, www.anthem.com.

The Primary Care Physician is the Doctor who normally gives, directs, and manages your health care. There are very few services that do not require a referral from your PCP or Medical Group in order to access care. Please see "Referrals" below or you can also ask your PCP or Medical Group for more information about these services.

If, when you first enroll (sign up) for coverage under this Plan, you are under the care of an Out-of-Network Provider, you should tell us right away. To keep getting care under this Plan from any Out-of-Network Provider, we must approve an Authorized Referral with that Provider or the services will be denied.

Obstetrical and gynecological services may be received directly, without obtaining a referral, from an obstetrician and gynecologist or family practice Physician who is a member of your Medical Group or who has an arrangement with your Medical Group to provide care for its patients, and who has been identified by your Medical Group as available for providing obstetrical and gynecological care. In addition, services for Mental Health and Substance Use Disorder may be received directly (without obtaining a Referral) from a specialist who is an Anthem HMO Behavioral Health Network provider. For a list of In-Network Providers who specialize in obstetrics/gynecology and Mental Health and Substance Use Disorder, call Member Services at the number listed on the back of your Identification Card or access our website at www.anthem.com.

Chiropractic and Acupuncture Services provided under the "Chiropractic and Acupuncture Care Services" benefit in the Schedule of Benefits, Virtual Visits with our online partners through our mobile app are also available directly without obtaining a referral.

First - Make an Appointment with Your PCP or Medical Group

Your PCP's job is to help you stay healthy, not just treat you when you are sick. After you pick a PCP set up an office visit. During this visit, get to know your PCP and help your PCP get to know you. You should talk to your PCP about:

- Your personal health history,
- Your family health history,
- Your lifestyle,
- Any health concerns you have.

If you do not get to know your PCP, they may not be able to properly manage your care. To see a Doctor, call their office:

- Tell them you are an Anthem Member,
- Have your Member Identification Card handy. The Doctor's office may ask you for your group or Member ID number,
- Tell them the reason for your visit.

When you go to the office, be sure to bring your Member Identification Card with you.

If you need to see a Specialist, please contact your PCP or Medical Group to get a referral.

If you have any questions about Covered Services, call us at the telephone number listed on the back of your Identification Card.

After Hours Care

If you need care after normal business hours, your Doctor may have several options for you. You should call your Doctor's office for instructions if you need care in the evenings, on weekends, or during the holidays and cannot wait until the office reopens. If you have an Emergency, call the 911 Emergency response system or the 988 suicide and crisis lifeline or go to the nearest Emergency Room.

Federal Surprise Billing Claims

Federal Surprise Billing Claims are described in the "Consolidated Appropriations Act of 2021 Notice" at the beginning of this Booklet. Please refer to that section for further details.

Connect with Us Using Our Mobile App

As soon as you enroll in this Plan, you should download our mobile app. You can find details on how to do this on our website, www.anthem.com.

Our goal is to make it easy for you to find answers to your questions. You can chat with us live in the app, or contact us on our website, www.anthem.com.

How to Find a Provider in the Network

There are several ways you can find out if a Provider or Facility is in the network for this Plan. You can also find out where they are located and details about their license or training.

- See your Plan's directory of In-Network Providers at www.anthem.com, which lists the Doctors, Providers, and Facilities that participate in this Plan's network.
- Search for a Provider in our mobile app.
- Contact Member Services to ask for a list of Doctors and Providers that participate in this Plan's network, based on specialty and geographic area.
- Check with your Doctor or Provider.

Please note that not all In-Network Providers offer all services. Please call Member Services before you get services for more information.

If you need details about a Provider's license or training, or help choosing a Doctor who is right for you, call the Member Services number on the back of your Member Identification Card. TTY/TDD services also are available by dialing 711. A special operator will get in touch with us to help with your needs.

Enrollment in the selected Plan is dependent upon you residing or working within the Plan's geographical Service Area, and the network, Provider, and Physician availability within the geographical Service Area. If at the time of enrollment in the selected Plan, the network or Physician/Medical Group is not available or you do not reside or work in the geographical Service Area of the Plan, you may be assigned to or be required to choose a different Provider, network, and/or Plan.

Please note that under normal circumstances your choice of a Medical Group or PCP will determine which Hospital you will receive care in if you need to be in a Hospital for treatment, except in an Emergency. As Medically Necessary, you will be referred to another Hospital for health care services.

Please note that we have several networks, and that a Provider that is In-Network for one plan may not be In-Network for another. Be sure to check your Identification Card or call Member Services to find out which network this Plan uses.

Changing Your Medical Group or Primary Care Physician

You may find out later on that you need to change your Medical Group. You may move or you may have some other reason. Here's what you can do:

- Choose a different Medical Group by using our website at www.anthem.com.

OR

- Call our Member Services number on your Member ID card. We will need to know why you want to change your Medical Group.

We will approve your request for a change if the PCP within the new Medical Group you've picked is accepting new patients or is accepting new patients who are in the course of treatment. As when you first enroll, you must live or work within the Plan's geographical Service Area.

We will ask you to explain any treatment you are currently receiving.

Anthem also allows you to change to a different Medical Group if you live or work within the Plan's geographical Service Area, and you are not undergoing a course of treatment. Specifically, for purposes of this subsection, "course of treatment" is defined as follows:

- When you are inpatient in an acute care Facility; inpatient at a Skilled Nursing Facility at a skilled level of care; receiving other acute institutional care;
- When you are currently undergoing radiation or chemotherapy; or
- When you are pregnant and the pregnancy has reached the third trimester, defined as reaching the 27th week of pregnancy;
- When you are in the preparation and work up for a transplant;
- When you have been approved for an Experimental or Investigational procedure through your current participating Medical Group.

If you let us know you want to change your Medical Group and the new PCP you choose accepts you by the fifteenth (15th) of the month, the change will take place on the first (1st) day of the next month. If you let us know you want to change your Medical Group and the new PCP you choose accepts you after the fifteenth (15th) of the month, the change will take place on the first (1st) day of the month following the next month.

If you change your Medical Group, any referrals given to you by your previous Medical Group will not be accepted by your new Medical Group. If you still require a referral for care, you will need to request a referral from your new PCP within your new Medical Group. This means your referral may require evaluation by your new Medical Group or us.

Please note that we or your new Medical Group may refer you to a different Provider than the one approved by your prior Medical Group.

If you are changing Medical Groups, you may help the change go more smoothly by notifying your HMO Coordinator, if you currently have one assigned.

Anthem must approve your request to transfer and you must be assigned to the new Medical Group or Primary Care Physician before you obtain medical care from the new Medical Group or Primary Care Physician. If you obtain medical care from a different Medical Group or Primary Care Physician than you are assigned to, those services may be considered services provided by a non-Anthem Blue Cross HMO Provider. If they are provided by a non-Anthem Blue Cross HMO Provider, those services will not be covered and you will be responsible for the billed charges for those services.

When you move your residence or your place of employment outside the Plan's geographical Service Area, you must notify Anthem to request a transfer to another Medical Group that is located within the Plan's geographical Service Area. Anthem must be notified within thirty-one (31) days of your move in order to ensure timely access to services near you.

If you move outside of the Anthem Blue Cross HMO licensed Service Area, but you continue to reside in the state of California, contact Anthem to enroll in a different type of health care plan.

Referrals

Your Primary Care Physician may refer you to another Doctor if you need special care. Your PCP must authorize all the care you get except for Emergency Care and Out-of-Area Urgent Care.

Your Doctor's Medical Group, or your PCP if they are not part of the Medical Group, has to agree that the service or care you will be getting from the other Doctor is medically necessary**.** Otherwise it won't be covered.

- You will need to make the appointment at the other Doctor's office.
- Your PCP will give you a referral form to take with you to your appointment. This form gives you the approval to get this care. If you don't get this form, ask for it or talk to your Anthem HMO coordinator.
- You may have to pay a Copayment. If your PCP refers you to an Out-of-Network Provider, and you have to pay a Copayment, any fixed dollar Copayment will be the same as if you had the same service provided by an In-Network Provider. But, if your Copayment is other than a fixed dollar Copayment, while your benefits levels will not change, your out-of-pocket cost may be greater if the services are provided by an Out-of-Network Provider. You shouldn't get a bill, unless it is for a Copayment, for this service. If you do, send it to your Anthem HMO coordinator right away. The Medical Group, or PCP if they are not part of a Medical Group, will see that the bill is paid.

Remember: payment will be made only for the number of visits and the medical care that is specifically authorized. Before obtaining any other care, be sure to check with your Primary Care Physician to make sure that such additional care will be authorized. You are responsible for paying for services rendered that are not authorized.

Referrals are not needed for Reproductive or Sexual Health Care Services, obstetrical/gynecological care, Chiropractic and Acupuncture Services provided under the "Chiropractic and Acupuncture Care Services" benefit in the Schedule of Benefits, or Virtual Visits with our online partners through our mobile app.

Standing Referrals. If you need continuing care from a Specialist, your Primary Care Physician may provide you with a standing referral to a Specialist. This referral may be made according to a treatment plan, which will be made if necessary to decide the course of care, that may limit the number of visits to the Specialist or the period of time these visits are authorized. If you have HIV, AIDS, or another life-threatening, degenerative, or disabling condition requiring specialized care for a prolonged period of time, your Primary Care Physician may provide you with a referral to a Specialist or a Specialty Care Unit for the purpose of having the Specialist coordinate your health care. This referral may also be made according to a treatment plan. For both types of standing referrals, the Specialist or Specialty Care Unit to which you are referred will in most cases be part of your Medical Group or will have an arrangement with your Medical Group to provide care for its patients. Please contact Member Services toll free at the telephone number listed on the back of your Identification Card for information about Referrals and how to request a Referral.

Ready Access

There are two ways you may get special care without getting approval from your Medical Group. These two ways are the "Direct Access" and "Speedy Referral." programs. **Not all Medical Groups take part in the Ready Access program. Please contact Member Services at the telephone number on the back of your Identification Card for Medical Groups that do participate.**

Direct Access. You may be able to get some special care without approval from your Primary Care Physician. We have a program called "Direct Access", which lets you get special care, without an approval from your Primary Care Physician for:

- Allergy
- Dermatology
- Ear/Nose/Throat

Ask your Anthem HMO coordinator at your Medical Group if they take part in the "Direct Access" program. If your Medical Group participates in the Direct Access program, you must still get your care from a Doctor who works with your Medical Group. Your Anthem HMO coordinator at your Medical Group will give you a list of those Doctors.

Speedy Referral. If you need special care, your Primary Care Physician may be able to refer you for it without getting an approval from your Medical Group first. The types of special care you can get through Speedy Referral depend on your Medical Group.

Second Opinions

Your Medical Group is responsible for arranging second opinions and specialty care with providers within or affiliated with your In-Network Anthem HMO Medical Group. Working with your Medical Group supports and improves the coordination and quality of your medical care.

When you have seen your Primary Care Physician, and want a second opinion, you have the right to a second opinion by another appropriately qualified health care professional within your Medical Group. If there is no appropriately qualified health care professional within your Medical Group or you are requesting a second opinion from a Specialist, we will authorize a second opinion by another In-Network Primary Care Physician or Specialist within the Anthem HMO network, taking into account your ability to travel. If there is no appropriately qualified In-Network health care professional or Specialist within the In-Network Anthem HMO network, we will authorize a second opinion by an appropriately qualified health

care professional, taking into account your ability to travel. Decisions on urgent and non-urgent requests are made within a time frame appropriate to your medical condition.

Reasons for requesting a second opinion include, but are not limited to:

- Questions about the reasonableness or necessity of recommended surgical procedures.
- Questions about the diagnosis or plan of care for a condition that threatens loss of life, loss of limb, loss of bodily function or substantial impairment, including but not limited to, a serious chronic condition (Serious Condition).
- The clinical indications are unclear or are complex and confusing.
- A diagnosis is in doubt because of conflicting test results.
- The first Physician is unable to diagnose the condition.
- The treatment plan in progress is not improving your medical condition within an appropriate period of time.
- You have attempted to follow the treatment plan or you have consulted with the Primary Care Physician or Specialist about serious concerns about your diagnosis or plan of care.

To request a second opinion regarding recommendations by your Primary Care Physician, call your Primary Care Physician or your HMO coordinator at your Medical Group.

To request a Specialist second opinion outside your Medical Group, please call Member Services at the telephone number on the back of your Identification Card. The Member Services representative verifies your membership, obtains preliminary information and gives your request to a RN Case Manager.

A decision is made in a timely fashion appropriate for the nature of the Member's condition, not to exceed five (5) business days of receipt of the information reasonably necessary to make a decision. Decisions on urgent requests are made within a time frame appropriate to your medical condition, not to exceed seventy-two (72) hours of our receipt of the information reasonably necessary to make a decision.

When approved, your Case Manager assists you with selection of an Anthem HMO Specialist within a reasonable travel distance and makes arrangements for your appointment at a time convenient for you and appropriate to your medical condition. Your Case Manager will work with you and your Medical Group to make sure the Specialist has your medical records before your appointment. Except for your usual Specialist Copayment, we cover the Specialist's fee.

An approval letter is sent to you and the Specialist. The letter includes the services approved and the date of your scheduled appointment. It also includes a toll free number to call your Case Manager if you have questions or need additional assistance. Approval is for the second opinion only. It does not include any other services such as lab, x-ray or treatment by the Specialist.

You and your Primary Care Physician receive a copy of the Specialist's report, which includes recommended diagnostic testing or procedures. When you receive the report, you and your Primary Care Physician or group Specialist should work together to determine your treatment options and develop a treatment plan. Your Medical Group must authorize all follow-up care.

Only an Anthem Physician Medical Director may decide when Anthem will not cover the fees for a Specialist you choose. This may happen when you choose a Specialist who is not part of the Anthem HMO network and the same kind of Specialist is available within the network. If your request is not approved, your letter will include the names of the Specialists who can be approved.

You may appeal a decision not to approve by following Anthem grievance procedures. Grievance procedures are described in your Evidence of Coverage and in your denial letter.

If you have questions or need additional information about this program, please contact your Anthem HMO coordinator at your Medical Group or call Anthem HMO Member Services at the telephone number on the back of your Identification Card.

If you have a question about your condition or about a plan of treatment which your Physician has recommended, you may receive a second medical opinion from another Physician. This second opinion visit would be provided according to the benefits, limitations and Exclusions of this Booklet. If you wish to receive a second medical opinion, remember that greater benefits are provided when you choose an In-Network Provider. You may also ask your Physician to refer you to an In-Network Provider to receive a second opinion.

Triage or Screening Services

If you have questions about a particular condition or you need someone to help you determine whether or not care is needed, triage or screening services are available to you from us by telephone. Triage or screening services are the evaluation of a Member's health by a Doctor or nurse who is trained to screen or triage for the purpose of determining the urgency of the Member's need for care. Please contact the 24/7 NurseLine at the telephone number listed on your Anthem Identification Card 24 hours a day, 7 days a week.

Continuity of Care

Transition Assistance for New Members

Transition Assistance is a process that allows for continuity of care for new Members receiving services from an Out-of-Network Provider. If you are a new Member, you may request Transition Assistance if any one of the following conditions applies:

1. An acute condition. An acute condition is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a limited duration. Completion of Covered Services shall be provided for the duration of the acute condition.
2. A serious chronic condition. A serious chronic condition is a medical condition due to a disease, illness or other medical problem or medical disorder that is serious in nature and that persists without full cure or worsens over an extended period of time or requires ongoing treatment to maintain remission or prevent deterioration. Completion of Covered Services shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another Provider, as determined by us in consultation with the Member and the Out-of-Network Provider and consistent with good professional practice. Completion of Covered Services shall not exceed twelve (12) months from the time the Member enrolls with us.
3. A pregnancy. A pregnancy is the three trimesters of pregnancy and the immediate postpartum period. Completion of Covered Services shall be provided for the duration of the pregnancy. For purposes of an individual who presents written documentation of being diagnosed with a Maternal Mental Health Condition from the individual's treating health care provider, completion of covered services for the Maternal Mental Health Condition shall not exceed twelve (12) months from the diagnosis or from the end of pregnancy, whichever occurs later. A Maternal Mental Health Condition is a mental health condition that can impact a woman during pregnancy, peri or postpartum, or that arises during pregnancy, in the peri or postpartum period, up to one year after delivery.
4. A terminal illness. A terminal illness is an incurable or irreversible condition that has a high probability of causing death within one (1) year or less. Completion of Covered Services shall be provided for the duration of the terminal illness.

5. The care of a newborn child between birth and age thirty-six (36) months. Completion of Covered Services shall not exceed twelve (12) months from the time the Member enrolls with us.
6. Performance of a surgery or other procedure that is authorized as part of a documented course of treatment and that has been recommended and documented by the Provider to occur within 180 days of the time the Member enrolls with Anthem.

Please contact Member Services at the telephone number on the back of your Identification Card to request Transition Assistance or to obtain a copy of the written policy. Eligibility is based on the Member's clinical condition; it is not determined by diagnostic classifications. Transition Assistance does not provide coverage for services not otherwise covered under the Agreement.

We will notify you by telephone, and the Provider by telephone and fax, as to whether or not your request for Transition Assistance is approved. If approved, the Member will be financially responsible only for applicable Deductibles, Coinsurance and/or Copayments under this plan. Financial arrangements with Out-of-Network Providers are negotiated on a case-by-case basis. We will request that the Out-of-Network Provider agree to negotiate reimbursement and/or contractual requirements that apply to In-Network Providers, including payment terms. If the Out-of-Network Provider does not agree to negotiate said reimbursement and/or contractual requirements, we are not required to continue that Provider's services. If the Member does not meet the criteria for Transition Assistance, the Member is afforded due process including having a Physician review the request.

Continuation of Care after Termination of Provider

Subject to the terms and conditions set forth below, we will pay benefits to a Member at the In-Network Provider level for Covered Services (subject to applicable Copayments, Coinsurance and other terms) rendered by a Provider whose participation in Anthem's Provider network has terminated. If your In-Network Provider leaves our network for any reason other than termination for cause, retirement or death, or if coverage under this Plan ends because your Group's Contract ends, or because your Group changes plans, and you are in active treatment, you may be able to continue seeing that Provider for a limited period of time and still get In-Network benefits.

1. The Member must be under the care of the In-Network Provider at the time of our termination of the Provider's participation. The terminated Provider must agree in writing to provide services to the Member in accordance with the terms and conditions of his/her agreement with Anthem prior to termination. The Provider must also agree in writing to accept the terms and reimbursement rates under his/her agreement with Anthem prior to the termination. If the Provider does not agree with these contractual terms and conditions, we are not required to continue the Provider's services beyond the contract termination date.

2. We will furnish such benefits for the continuation of services by a terminated Provider only for any of the following conditions (includes treatment for Mental Health and Substance Use Disorder, where applicable):

    a. An acute condition. An acute condition is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a limited duration. Completion of Covered Services shall be provided for the duration of the acute condition.
    b. A serious chronic condition. A serious chronic condition is a medical condition due to a disease, illness or other medical problem or medical disorder that is serious in nature and that persists without full cure or worsens over an extended period of time or requires ongoing treatment to maintain remission or prevent deterioration. Completion of Covered Services shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another Provider, as determined by Anthem in consultation with the Member and the terminated

Provider and consistent with good professional practice. Completion of Covered Services shall not exceed twelve (12) months from the Provider's contract termination date.

c. A pregnancy. A pregnancy is the three trimesters of pregnancy and the immediate postpartum period. Completion of Covered Services shall be provided for the duration of the pregnancy. For purposes of an individual who presents written documentation of being diagnosed with a Maternal Mental Health Condition from the individual's treating health care provider, completion of covered services for the Maternal Mental Health Condition shall not exceed twelve (12) months from the diagnosis or from the end of pregnancy, whichever occurs later. A Maternal Mental Health Condition is a mental health condition that can impact a woman during pregnancy, peri or postpartum, or that arises during pregnancy, in the peri or postpartum period, up to one year after delivery.

d. A terminal illness. A terminal illness is an incurable or irreversible condition that has a high probability of causing death within one (1) year or less. Completion of Covered Services shall be provided for the duration of the terminal illness.

e. The care of a newborn child between birth and age thirty-six (36) months. Completion of Covered Services shall not exceed twelve (12) months from the Provider's contract termination date.

f. Performance of a surgery or other procedure that is authorized as part of a documented course of treatment and that has been recommended and documented by the Provider to occur within 180 days of the Provider's contract termination date.

3. Such benefits will not apply to Providers who have been terminated due to medical disciplinary cause or reason, fraud, or other criminal activity.

4. Please contact Member Services at the telephone number on the back of your Identification Card to request continuation of care or to obtain a copy of the written policy. Eligibility is based on the Member's clinical condition; it is not determined by diagnostic classifications. Continuation of care does not provide coverage for services not otherwise covered under the Agreement.

We will notify you by telephone, and the Provider by telephone and fax, as to whether or not your request for continuation of care is approved. If approved, the Member will be financially responsible only for applicable Deductibles, Coinsurance and/or Copayments under this plan. Financial arrangements with terminated Providers are negotiated on a case-by-case basis. We will request that the terminated Provider agree to negotiate reimbursement and/or contractual requirements that apply to In-Network Providers, including payment terms. If the terminated Provider does not agree to negotiate said reimbursement and/or contractual requirements, we are not required to continue that Provider's services. If you disagree with our determination regarding continuation of care, please refer to the "Grievance and External Review Procedures" section for additional details.

Your Cost Shares

Your Plan may involve Copayments, Deductibles, and/or Coinsurance, which are charges that you must pay when receiving Covered Services. Your Plan may also have an Out-of-Pocket Limit, which limits the Cost Shares you must pay. Please read the "Schedule of Benefits" for details on your Cost Shares. Also read the "Definitions" section for a better understanding of each type of Cost Share.

The BlueCard Program

Like all Blue Cross & Blue Shield plans throughout the country, we participate in a program called "BlueCard," which provides services to you when you are outside our Service Area. For more details on this program, please see "Inter-Plan Arrangements" in the "Claims Payment" section.

Identification Card

We will give an Identification Card to each Member enrolled in the Plan. When you get care, you must show your Identification Card. Only a Member who has paid the Premiums for this Plan has the right to services or benefits under this Booklet. If anyone gets services or benefits to which they are not entitled to under the terms of this Booklet, he/she must pay for the actual cost of the services.

Getting Approval for Benefits

Your Plan includes the process of Utilization Review to decide when services are Medically Necessary or Experimental/Investigational as those terms are defined in this Booklet. Utilization Review aids the delivery of cost-effective health care by reviewing the use of treatments and, when proper, level of care and/or the setting or place of service that they are performed.

Reviewing Where Services Are Provided

A service must be Medically Necessary to be a Covered Service. When level of care, setting or place of service is reviewed, services that can be safely given to you in a lower level of care or lower cost setting / place of care, will not be Medically Necessary if they are given in a higher level of care, or higher cost setting / place of care. This means that a request for a service may be denied because it is not Medically Necessary for the service to be provided where it is being requested. When this happens the service can be requested again in another place and will be reviewed again for Medical Necessity. At times a different provider or facility may need to be used in order for the service to be considered Medically Necessary. Examples include, but are not limited to:

- A service may be denied on an inpatient basis at a Hospital but may be approvable if provided on an outpatient basis at a Hospital.
- A service may be denied on an outpatient basis at a Hospital but may be approvable at a free standing imaging center, infusion center, Ambulatory Surgery Center, or in a Physician's office.
- A service may be denied at a Skilled Nursing Facility but may be approvable in a home setting.

Utilization Review criteria will be based on many sources including medical policy and clinical guidelines. Anthem may decide that a treatment that was asked for is not Medically Necessary if a clinically equivalent treatment that is more cost effective is available and appropriate. "Clinically equivalent" means treatments that for most Members, will give you similar results for a disease or condition.

If you have any questions about the utilization review process, the medical policies or clinical guidelines, you may call the Member Services phone number on the back of your Identification Card.

Coverage for or payment of the service or treatment reviewed is not guaranteed even if your services are determined to be Medically Necessary. For benefits to be covered, on the date you get service:

1. You must be eligible for benefits;
2. The service or supply must be a Covered Service under your Plan;
3. The service cannot be subject to an Exclusion under your Plan; and
4. You must not have exceeded any applicable limits under your Plan.

Types of Reviews

- **Pre-service Review –** A review of a service, treatment or admission for a benefit coverage determination, which is done before the service or treatment begins or admission date.

    - **Precertification –** A required Pre-service Review for a benefit coverage determination for a service or treatment. Certain services require Precertification in order for you to get benefits. The benefit coverage review will include a review to decide whether the service meets the definition of Medical Necessity or is Experimental / Investigational as those terms are defined in this Booklet.

For admissions following Emergency Care, you, your authorized representative or Doctor must tell us of the admission as soon as possible.

For childbirth admissions, Precertification is not needed for the first 48 hours for a vaginal delivery or 96 hours for a cesarean section. Admissions longer than 48/96 hours require Precertification.

For inpatient Hospital stays for mastectomy surgery, including the length of Hospital stays associated with mastectomy, Precertification is not needed.

- **Continued Stay / Concurrent Review –** A Utilization Review of a service, treatment or admission for a benefit coverage determination which must be done during an ongoing stay in a facility or course of treatment.

Both Pre-Service and Continued Stay / Concurrent Reviews may be considered urgent when, in the view of the treating Provider or any Doctor with knowledge of your medical condition, without such care or treatment, your life or health or your ability to regain maximum function could be seriously threatened or you could be subjected to severe pain that cannot be adequately managed without such care or treatment. Urgent reviews are conducted under a shorter timeframe than standard reviews.

- **Post-service Review –** A review of a service, treatment or admission for a benefit coverage determination that is conducted after the service has been provided. Post-service reviews are performed when a service, treatment or admission did not need a Precertification, or when a needed Precertification was not obtained. Post-service reviews are done for a service, treatment or admission in which we have a related clinical coverage guideline and are typically initiated by us.

Services for which Precertification is required (i.e., services that need to be reviewed by us and/or your Medical Group, as applicable, to determine whether they are Medically Necessary) include, but are not limited to, the following:

- Inpatient Facility treatment for certain services including but not limited to, Mental Health and Substance Use Disorder Services, and residential treatment (including detoxification and rehabilitation);
- Partial hospitalization, intensive outpatient programs, transcranial magnetic stimulation (TMS);
- Behavioral health treatment for autism spectrum disorders;
- Air ambulance services for non-Emergency Hospital to Hospital transfers;
- Certain non-Emergency ground ambulance services;
- Transgender services, including transgender travel expense, as specified under the “Transgender Services” provision of “What’s Covered.” A Physician must diagnose you with Gender Identity Disorder or Gender Dysphoria; and
- Other specific procedures, wherever performed, as specified by us.

For a list of current procedures requiring Precertification, please call the toll-free number for Member Services printed on your Identification Card.

Who is Responsible for Precertification?

Typically, In-Network Providers know which services need Precertification and will get any Precertification when needed. Your Primary Care Physician and other In-Network Providers have been given detailed information about these procedures and are responsible for meeting these requirements. Generally, the ordering Provider, Facility or attending Doctor (“requesting Provider”) will get in touch with us to ask for a Precertification. However, you may request a Precertification or you may choose an authorized representative to act on your behalf for a specific request. The authorized representative can be anyone

who is 18 years of age or older. The table below outlines who is responsible for Precertification and under what circumstances.

Provider Network Status	Responsibility to Get Precertification	Comments
In-Network	Provider	The Provider must get Precertification when required.
Out-of-Network/ Non-Participating	Member	Member has no benefit coverage for an Out-of-Network Provider unless: • The Member gets approval to use an Out-of-Network Provider before the service is given, or, • The Member requires Out-Of-Area Urgent Care or an Emergency Care admission (See note below.) If these are true, then • The Member must get Precertification when required. (Call Member Services.) For an Emergency Care admission, Precertification is not required. However, you, your authorized representative, or Doctor must tell us of the admission as soon as possible. • Member may be financially responsible for charges/costs related to the service and/or setting in whole or in part if the service and/or setting is found to not be Medically Necessary, or is not Emergency Care or Out-Of-Area Urgent Care.
BlueCard Provider	Member **(Except for Inpatient Admissions)**	Member has no benefit coverage for a BlueCard Provider unless: • The Member gets approval to use a BlueCard Provider before the service is given, or. • The Member requires Urgent Care or an Emergency Care admission (See note below.) If these are true, then • The Member must get Precertification when required. (Call Member Services.) For an Emergency Care admission, precertification is not required. However, you, your authorized representative, or Doctor must tell us of the admission as soon as possible. • Member may be financially responsible for

		charges/costs related to the service and/or setting in whole or in part if the service and/or setting is found to not be Medically Necessary, not an Emergency or Out-of-Area Urgent Care, or any charges in excess of the Negotiated Fee Rate. • **BlueCard Providers must obtain precertification for all Inpatient Admissions.**
NOTE: For Out-of-Area Urgent Care or an Emergency Care admission, Precertification is not required. However for Emergency Care, you, your authorized representative or Doctor must tell us of the admission as soon as possible. To find out when Out-of-Network (Out-of-Area) Urgent Care services are covered, see the section Urgent Care Services in "What's Covered."		

How Decisions are Made

Our clinical coverage guidelines, such as medical policy, clinical guidelines, and other applicable policies and procedures are used to help make Medical Necessity decisions. Medical policies and clinical guidelines reflect the standards of practice and medical interventions identified as proper medical practice. We reserve the right to review and update these clinical coverage guidelines from time to time.

You are entitled to ask for and get, free of charge, reasonable access to any records concerning your request. To ask for this information, call the Precertification phone number on the back of your Identification Card. You can also find our medical policies on our website at www.anthem.com.

If you are not satisfied with the decision under this section of your benefits, please refer to the "Grievance and External Review Procedures" section to see what rights may be available to you.

Decision and Notice Requirements

Requests for Medical Necessity will be reviewed according to the timeframes listed below. The timeframes and requirements listed are based on state and federal laws. Where state laws are stricter than federal laws, state laws will be followed. If you live in and/or get services in a state other than the state where your Contract was issued other state-specific requirements may apply. You may call the phone number on the back of your Identification Card for more details.

Type of Review	Timeframe Requirement for Decision
Urgent Pre-service Review	72 hours from the receipt of the request
Non-Urgent Pre-service Review	5 business days from the receipt of the request
Urgent Continued Stay / Concurrent Review when hospitalized at the time of the request and no previous authorization exists	24 hours from the receipt of the request. We may request additional information within the first 24 hours and then extend to 72 hours
Urgent Continued Stay / Concurrent Review when request is received at least 24 hours before the end of the previous authorization	24 hours from the receipt of the request

Urgent Continued Stay / Concurrent Review when request is received less than 24 hours before the end of the previous authorization	72 hours from the receipt of the request
Non-Urgent Continued Stay / Concurrent Review	5 business days from the receipt of the request
Post-Service Review	30 calendar days from the receipt of the request

If more information is needed to make a decision, the requesting Provider will be informed of the specific information needed to finish the review. If the specific information needed is not received by the required timeframe, a decision will be made based upon the information received at that point.

You and your Provider will be notified of the decision as required by state and federal law. Notice may be given by one or more of the following methods: verbal, written, and/or electronic.

For a copy of the Medical Necessity Review Process, please contact Member Services at the telephone number on the back of your Identification Card.

Revoking or modifying a Precertification Review decision. Anthem will determine **in advance** whether certain services (including procedures and admissions) are Medically Necessary and are the appropriate length of stay, if applicable. These review decisions may be revoked or modified prior to the service being rendered for reasons including but not limited to the following:

- Your coverage under this Plan ends;
- The Agreement with the Group terminates;
- You reach a benefit maximum that applies to the service in question;
- Your benefits under the Plan change so that the service is no longer covered or is covered in a different way.

Important Information

Anthem may, from time to time, waive, enhance, change or end certain medical management processes (including utilization management, case management, and disease management) and/or offer an alternate benefit if such change furthers the provision of cost effective, value based and/or quality services.

We may also select certain qualifying Providers to take part in a program or a Provider arrangement that exempts them from certain procedural or medical management processes that would otherwise apply. We may also exempt your claim from medical review if certain conditions apply.

Just because Anthem exempts a process, Provider or Claim from the standards which otherwise would apply, it does not mean that Anthem will do so in the future, or will do so in the future for any other Provider, claim or Member. Anthem may stop or change any such exemption with advance notice.

You may find out whether a Provider is taking part in certain programs or a Provider arrangement by contacting the Member Services number on the back of your ID card.

We also may identify certain Providers to review for potential fraud, waste, abuse or other inappropriate activity if the claims data suggests there may be inappropriate billing practices. If a Provider is selected under this program, then we may use one or more clinical utilization management guidelines in the review of claims submitted by this Provider, even if those guidelines are not used for all Providers delivering services to this Plan's Members.

Health Plan Individual Case Management

Our health plan individual case management programs (Case Management) help coordinate services for Members with health care needs due to serious, complex, and/or chronic health conditions. Our programs coordinate benefits and educate Members who agree to take part in the Case Management program to help meet their health-related needs.

Our Case Management programs are confidential and voluntary and are made available at no extra cost to you. These programs are provided by, or on behalf of and at the request of, your health plan case management staff. These Case Management programs are separate from any Covered Services you are receiving.

If you meet program criteria and agree to take part, we will help you meet your identified health care needs. This is reached through contact and teamwork with you and/or your chosen authorized representative, treating Doctor(s), and other Providers.

In addition, we may assist in coordinating care with existing community-based programs and services to meet your needs. This may include giving you information about external agencies and community-based programs and services.

In certain cases of severe or chronic illness or injury, we may provide benefits for alternate care that is not listed as a Covered Service. We may also extend Covered Services beyond the Benefit Maximums of this Plan. We will make our decision case-by-case, if the alternate or extended benefit is in the best interest of you and Anthem and you or your authorized representative agree to the alternate or extended benefit. For alternate care, we will ask you or your authorized representative to agree in writing. A decision to provide extended benefits or approve alternate care in one case does not obligate us to provide the same benefits again to you or to any other Member. We reserve the right, at any time, to alter or stop providing extended benefits or approving alternate care. In such case, we will notify you or your authorized representative in writing.

What's Covered

This section describes the Covered Services available under your Plan. Covered Services are subject to all the terms and conditions listed in this Booklet, including, but not limited to, Benefit Maximums, Deductibles, Copayments, Coinsurance, Exclusions and Medical Necessity requirements. Please read the "Schedule of Benefits" for details on the amounts you must pay for Covered Services and for details on any Benefit Maximums. Also be sure to read "How Your Plan Works" for more information on your Plan's rules. Read the "What's Not Covered" section for important details on Excluded Services. In addition, read "Getting Approval for Benefits" to determine when services require Precertification.

Your benefits are described below. Benefits are listed alphabetically to make them easy to find. Please note that several sections may apply to your claims. For example, if you have inpatient surgery, benefits for your Hospital stay will be described under "Inpatient Hospital Care" and benefits for your Doctor's services will be described under "Inpatient Professional Services." As a result, you should read all sections that might apply to your claims.

You should also know that many of Covered Services can be received in several settings, including a Doctor's office or your home, an Urgent Care Facility, an Outpatient Facility, or an Inpatient Facility. Benefits will often vary depending on where and from whom you choose to get Covered Services, and this can result in a change in the amount you need to pay. Please see the "Schedule of Benefits" for more details.

Please note that care must be received from your Primary Care Physician (PCP) or Medical Group or another In-Network Provider to be a Covered Service under this Plan. If you use an Out-of-Network Provider, your entire claim will be denied unless:

- **The services are for Emergency or Out-of-Area Urgent Care; or**
- **The services are approved in advance by Anthem as an Authorized Referral.**

Acupuncture

Please see "Therapy Services" later in this section.

Allergy Services

Your Plan includes benefits for Medically Necessary allergy testing and treatment, including allergy serum and allergy shots.

Ambulance Services

Medically Necessary ambulance services are a Covered Service as described in this section when you are transported by a state licensed vehicle that is designed, equipped, and used only to transport the sick and injured and staffed by Emergency Medical Technicians (EMT), paramedics, or other certified medical professionals. Ambulance services include medical and mental health Medically Necessary non-Emergency ambulance transportation, including psychiatric transportation for safety issues. Ambulance Services do not include transportation by car, taxi, bus, gurney van, wheelchair van and any other type of transportation (other than a licensed ambulance), even if it is the only way to travel to a Provider.

Ambulance services are a Covered Service when one or more of the following criteria are met:

- For ground ambulance, you are taken:

- From your home, the scene of an accident or medical Emergency to a Hospital;
- Between Hospitals, including when we require you to move from an Out-of-Network Hospital to an In-Network Hospital;
- Between a Hospital and a Skilled Nursing Facility or other approved Facility.

- For air (fixed wing and rotary wing air transportation) or water ambulance, you are taken:
  - From the scene of an accident or medical Emergency to a Hospital;
  - Between Hospitals, including when we require you to move from an Out-of-Network Hospital to an In-Network Hospital;
  - Between a Hospital and an approved Facility.

Non-Emergency ambulance services are subject to Medical Necessity reviews by us. Emergency ground ambulance services do not require Precertification and are allowed regardless of whether the Provider is an In-Network or Out-of-Network Provider.

When using an air ambulance for non-Emergency transportation, we reserve the right to select the air ambulance Provider. If you do not use the air ambulance Provider we select, no benefits will be available.

Please see the "Schedule of Benefits" for the maximum benefit for Out-of-Network ground, air, and water ambulance services in a non-Emergency.

You must be taken to the nearest Facility that can give care for your condition. In certain cases we may approve benefits for transportation to a Facility that is not the nearest Facility.

Benefits also include Medically Necessary treatment of a sickness or injury by medical professionals from an ambulance service, even if you are not taken to a Facility.

Ambulance services are not covered when another type of transportation can be used without endangering your health. Ambulance services for your convenience or the convenience of your family or Doctor are not a Covered Service.

Other non-covered ambulance services include, but are not limited to, trips to:

a. A Doctor's office or clinic;
b. A morgue or funeral home.

If provided through the 911 Emergency response system or the 988 suicide and crisis lifeline call, ambulance charges are covered if it is reasonably believed that a medical Emergency existed even if you are not transported to a Hospital. Payment of benefits for ambulance services may be made directly to the Provider of service unless proof of payment is received by us prior to the benefits being paid.

IN SOME AREAS A 911 EMERGENCY RESPONSE SYSTEM OR A 988 SUICIDE AND CRISIS LIFELINE HAS BEEN ESTABLISHED. THESE SYSTEMS ARE TO BE USED ONLY WHEN THERE IS AN EMERGENCY MEDICAL CONDITION THAT REQUIRES AN EMERGENCY RESPONSE.

IF YOU REASONABLY BELIEVE THAT YOU ARE EXPERIENCING AN EMERGENCY, YOU SHOULD CALL 911 OR 988, OR GO DIRECTLY TO THE NEAREST HOSPITAL EMERGENCY ROOM.

Important Notes on Air Ambulance Benefits

Benefits are only available for air ambulance when it is not appropriate to use a ground or water ambulance. For example, if using a ground ambulance would endanger your health and your medical condition requires a more rapid transport to a Facility than the ground ambulance can provide, the Plan

will cover the air ambulance. Air ambulance will also be covered if you are in an area that a ground or water ambulance cannot reach.

Air ambulance will not be covered if you are taken to a Hospital that is not an acute care Hospital (such as a Skilled Nursing Facility or a rehabilitation facility), or if you are taken to a Physician's office or your home.

Hospital to Hospital Transport

If you are moving from one Hospital to another, air ambulance will only be covered if using a ground ambulance would endanger your health and if the Hospital that first treats cannot give you the medical services you need. Certain specialized services are not available at all Hospitals. For example, burn care, cardiac care, trauma care, and critical care are only available at certain Hospitals. To be covered, you must be taken to the closest Hospital that can treat you. **Coverage is not available for air ambulance transfers simply because you, your family, or your Provider prefers a specific Hospital or Physician.**

Autism Spectrum Disorders Services

Benefits are provided for behavioral health treatment for autism spectrum disorders. This coverage is provided according to the terms and conditions of this Booklet that apply to all other medical conditions, except as specifically stated in this section.

Behavioral health treatment services covered under this Plan are subject to the same Deductibles, Coinsurance, and Copayments that apply to services provided for other covered medical conditions. Services provided by Qualified Autism Service Providers, Qualified Autism Service Professionals, and Qualified Autism Service Paraprofessionals (see the "Definitions" below) will be covered under Plan benefits that apply for outpatient office visits or other outpatient items and services. Services provided in a Facility, such as the outpatient department of a Hospital, will be covered under Plan benefits that apply to such Facilities. See also the section Mental Health And Substance Use Disorder (Chemical Dependency) Services for more detail.

Behavioral Health Treatment

The behavioral health treatment services covered by this Booklet are those professional services and treatment programs, including applied behavior analysis and evidence-based behavior intervention programs, that develop or restore, to the maximum extent practicable, the functioning of an individual with autism spectrum disorder and that meet all of the following requirements:

- The treatment must be prescribed by a licensed Physician and surgeon (an M.D. or D.O.) or developed by a licensed psychologist,

- The treatment must be provided under a treatment plan prescribed by a Qualified Autism Service Provider and administered by one of the following: (a) Qualified Autism Service Provider, (b) Qualified Autism Service Professional supervised by the Qualified Autism Service Provider, or (c) Qualified Autism Service Paraprofessional supervised by a Qualified Autism Service Provider or Qualified Autism Service Professional, and

- The treatment plan must have measurable goals over a specific timeline and be developed and approved by the Qualified Autism Service Provider for the specific patient being treated. The treatment plan must be reviewed no less than once every six months by the Qualified Autism Service Provider and modified whenever appropriate, and must be consistent with applicable state law that imposes requirements on the provision of applied behavioral analysis services and intensive

behavioral intervention services to certain persons pursuant to which the Qualified Autism Service Provider does all of the following:

- Describes the patient's behavioral health impairments to be treated,
- Designs an intervention plan that includes the service type, number of hours, and parental participation needed (if any) to achieve the intervention plan's goal and objectives, and the frequency at which the patient's progress is evaluated and reported,
- Provides intervention plans that utilize evidence-based practices, with demonstrated clinical efficacy in treating autism spectrum disorders, and
- Discontinues intensive behavioral intervention services when the treatment goals and objectives are achieved or no longer appropriate.

- The treatment plan must not be used for purposes of providing or for the reimbursement of respite care, day care, or educational services, and must not be used to reimburse a parent for participating in the treatment program. The treatment plan must be made available to us upon request.

Our network of Providers is limited to licensed Qualified Autism Service Providers who contract with Anthem and who may supervise and employ Qualified Autism Service Professionals or Paraprofessionals who provide and administer behavioral health treatment.

Behavioral Health Services

Please see “Autism Spectrum Disorders Services” and “Mental Health and Substance Use Disorder (Chemical Dependency) Services” in this section.

Cardiac Rehabilitation

Please see “Therapy Services” later in this section.

Cellular and Gene Therapy Services

Your Plan includes benefits for certain cellular and gene therapy services, when Anthem approves the benefits in advance through Precertification. See “Getting Approval for Benefits” for details on the Precertification process. To be eligible for coverage, services must be Medically Necessary and performed by an approved In-Network Provider at an approved treatment center. Even if a Provider is an In-Network Provider for other services it may not be an approved Provider for certain cellular and gene therapy services. Please call us to find out which providers are approved In-Network Providers. (When calling Member Services, ask for the Transplant Case Manager for further details.)

Services Not Eligible for Coverage

Your Plan does not include benefits for the following:

i. Services determined to be Experimental / Investigational;

ii. Services provided by a non-approved Provider or at a non-approved Facility; or

iii. Services not approved in advance through Precertification.

Please see “Therapy Services” later in this section.

Chiropractor Services

Please see “Therapy Services” later in this section.

Clinical Trials

Benefits include coverage for services, such as routine patient care costs, given to you as a qualified enrollee in an approved clinical trial if the services are Covered Services under this Plan. A “qualified enrollee” means that you meet both of the following conditions:

a) You are eligible to participate in an approved clinical trial, according to the clinical trial protocol, for the treatment of cancer or another life-threatening disease or condition.

b) Either of the following applies:
   i. The referring health care professional is an In-Network Provider and has concluded that your participation in the clinical trial would be appropriate because you meet the conditions of subparagraph (a).
   ii. You provide medical and scientific information establishing that your participation in the clinical trial would be appropriate because you meet the conditions of subparagraph (a).

An “approved clinical trial” means a phase I, phase II, phase III, or phase IV clinical trial conducted in relation to the prevention, detection, or treatment of cancer or another life-threatening disease or condition. The term “life-threatening disease or condition” means a disease or condition from which the likelihood of death is probable unless the course of the disease or condition is interrupted.

Benefits are limited to the following trials:

Institutes of Health, and 2) assures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review.

i. The Department of Veterans Affairs.

ii. The Department of Defense.

iii. The Department of Energy.

- Studies or investigations done as part of an investigational new drug application reviewed by the Food and Drug Administration;

- Studies or investigations done for drug trials, which are exempt from the investigational new drug application.

If one or more In-Network Providers is conducting an approved clinical trial, your Plan may require you to use an In-Network Provider to utilize or maximize your benefits if the In-Network Provider accepts you as a clinical trial participant. It may also require that an approved clinical trial be located in California, unless the clinical trial is not offered or available through an In-Network Provider in California.

Routine patient care costs include drugs, items, devices, and services provided to you in connection with an approved clinical trial that would otherwise be covered by this Plan, including:

- Drugs, items, devices, and services typically covered absent a clinical trial;
- Drugs, items, devices, and services required solely for the provision of an investigational drug, item, device, or service;
- Drugs, items, devices, and services required for the clinically appropriate monitoring of the investigational drug, item, device, or service;
- Drugs, items, devices, and services provided for the prevention of complications arising from the provision of the investigational drug, item, device, or service;
- Drugs, items, devices, and services needed for the reasonable and necessary care arising from the provision of the investigational drug, item, device, or service, including diagnosis and treatment of complications.

Cost Sharing (Copayments, Coinsurance, and Deductibles) for routine patient care costs will be the same as that applied to the same services not delivered in a clinical trial, except that the In-Network Cost Sharing and Out-of-Pocket Limit will apply if the clinical trial is not offered or available through an In-Network Provider.

All requests for clinical trials services, including services that are not part of approved clinical trials will be reviewed according to our Clinical Coverage Guidelines, related policies and procedures.

Your Plan is not required to provide benefits for the following services. We reserve our right to exclude any of the following services:

i. The Investigational item, device, or service itself;
ii. Items and services that are given only to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient;
iii. A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis;
iv. Any item or service that is paid for, or should have been paid for, by the sponsor of the trial.

Emergency Care Services

If you are experiencing an Emergency please call the 911 Emergency response system or 988 suicide and crisis lifeline or visit the nearest Hospital for treatment.

When you receive Emergency services (except certain ambulance services, see “Schedule of Benefits”) from an Out-of-Network Provider within California, you will not be responsible for amounts in excess of the Reasonable and Customary Value.

Emergency Services

Benefits are available for services and supplies to treat the onset of symptoms for an Emergency, which is defined below.

Emergency (Emergency Medical Condition)

Emergency or Emergency Medical Condition means a medical or behavioral health condition manifesting itself by acute symptoms of sufficient severity including severe pain such that the absence of immediate medical attention could reasonably be expected to result in any of the following:

- Placing the patient’s health or the health of another person (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
- Serious impairment to bodily functions; or
- Serious dysfunction of any bodily organ or part.

Emergency includes being in active labor when there is inadequate time for a safe transfer to another Hospital prior to delivery, or when such a transfer would pose a threat to the health and safety of the Member or unborn child.

Emergency Medical Condition includes a Psychiatric Emergency Medical Condition, which is a mental disorder that manifests itself by acute symptoms of sufficient severity that it renders the patient as being either of the following: a) an immediate danger to himself or herself or to others, or b) immediately unable to provide for, or utilize, food, shelter, or clothing, due to the mental disorder.

Emergency Care

"Emergency Care" means a medical or behavioral health exam including services routinely available to evaluate an Emergency Medical Condition. It includes any further medical or behavioral health exams and treatment required to stabilize the patient.

Medically Necessary Emergency services will be covered whether you get care from an In-Network or Out-of-Network Provider and will not require Precertification. For Federal Surprise Billing claims, the Out-of-Network Provider can only charge you any applicable Deductible, Coinsurance, and/or Copayment and cannot bill you for the difference between the Reasonable and Customary amount (or when applicable, the Negotiated Fee Rate) and their billed charges until your condition is stable and the Out-of-Network Provider has complied with the notice and consent process as described in the "Consolidated Appropriations Act of 2021 Notice" at the front of this Booklet. Your Cost Shares will be based on the Recognized Amount (or when applicable, the Negotiated Fee Rate), and will be applied to your In-Network Deductible and In-Network Out-of-Pocket Limit. Emergency Care you get from an Out-of-Network Provider will be covered as an In-Network service, but you may have to pay the difference between the Out-of-Network Provider's charge and the Reasonable and Customary Value for services received outside of California (and for certain ambulance services received in and outside of California). If Emergency Care is rendered within California by an Out-of-Network Provider (with the exception of certain ambulance Providers, see "Schedule of Benefits"), you will not be responsible for any amount in excess of the Reasonable and Customary Value and you will only pay your Copayment or Coinsurance and any applicable Deductible. For Emergency Services rendered outside of California by an Out of Network provider, reimbursement is based on the Inter-Plan Arrangements for Out-of-Area Services.

If you are admitted to the Hospital from the Emergency Room, be sure that you or your Doctor calls us as soon as you are stabilized. We will review your care to decide if a Hospital stay is needed and how many days you should stay. See "Getting Approval for Benefits" for more details.

Treatment you get after your condition has stabilized is not Emergency Care. Please refer to the "Consolidated Appropriations Act of 2021 Notice" at the front of this Booklet for more details on how this will impact your benefits. (**Note**: If you receive services from an In-Network Facility in California, at which or as a result of which, you receive non-Emergency Covered Services provided by an Out-of-Network Provider (State Surprise Billing Claims), you will pay the Out-of-Network Provider no more than the same Cost Sharing that you would pay for the same Covered Services received from an In-Network Provider. Please see "Member Cost Share" in the "Claims Payment" section for more information.)

Fertility Preservation Services

Fertility preservation services to prevent iatrogenic infertility when Medically Necessary are covered. Iatrogenic infertility means infertility caused directly or indirectly, as a possible side effect, by surgery, chemotherapy, radiation, or other covered medical treatment. Note that this benefit covers fertility preservation services only, as described. Fertility preservation services under this section do not include testing or treatment of infertility.

Hospice Care

You are eligible for hospice care if your Doctor and the Hospice medical director certify that you are terminally ill and likely have less than twelve (12) months to live. You may access hospice care while participating in a clinical trial or continuing disease modifying therapy, as ordered by your treating Provider. Disease modifying therapy treats the underlying terminal illness.

The services and supplies listed below are Covered Services when given by a Hospice for the palliative care of pain and other symptoms that are part of a terminal disease. Palliative care means care that controls pain and relieves symptoms, but is not meant to cure a terminal illness. Covered Services include:

Bereavement services are available to the patient and those individuals who are closely linked to the patient, including the immediate family, the primary or designated caregiver and individuals with significant personal ties, for one year after the Member's death.
- Volunteer services provided by trained Hospice volunteers under the direction of a Hospice staff member.
- Medical direction, with the medical director being also responsible for meeting the general medical needs of the Member to the extent that these needs are not met by an attending Physician.

Your Doctor must agree to care by the Hospice and must be consulted in the development of the care plan. The Hospice must keep a written care plan on file and give it to us upon request.

Benefits for services beyond those listed above that are given for disease modification or palliation, such as but not limited to chemotherapy and radiation therapy, are available to a Member in Hospice. These services will be covered under other parts of this Plan.

Human Organ and Tissue Transplant (Bone Marrow / Stem Cell) Services

All services provided for any other covered condition are provided in connection with a Medically Necessary, non-Investigational organ or tissue transplant if you are:

- The organ or tissue recipient, and the donor is also an enrolled Member.
- The organ or tissue donor, and the recipient is also an enrolled Member.

If you are pregnant on your Effective Date and in your second or third trimester of pregnancy (13 weeks or later) as of the Effective Date, benefits for obstetrical care may be available at the In-Network level even if an Out-of-Network Provider is used. You will need to fill out a Continuation of Care Request Form and send it to us for review and approval. If approved, Covered Services will include the obstetrical care given by that Provider through the end of the pregnancy and the immediate post-partum period. For additional information on the Continuation of Care process and how to begin, see the Transition Assistance for New Member provision in the section titled Continuity of Care.

Important Note About Maternity Admissions: Under federal law, we may not limit benefits for any Hospital length of stay for childbirth for the mother or newborn to less than 48 hours after vaginal birth, or less than 96 hours after a cesarean section (C-section). However, federal law as a rule does not stop the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours, or 96 hours, as applicable. If the mother or newborn is discharged early, benefits include a post-discharge follow-up visit within 48 hours of the discharge, when prescribed by the treating Provider. In any case, as provided by federal law, we may not require a Provider to get authorization from us before prescribing a length of stay which is not more than 48 hours for a vaginal birth or 96 hours after a C-section.

Urgent Care Services

Urgent Care means those services necessary to prevent serious deterioration of your health or, in the case of pregnancy, the health of the unborn child, resulting from an unforeseen illness, injury, or complication of an existing condition, including pregnancy, for which treatment cannot be delayed. Urgent Care services are not Emergency services.

In-Area means you are fewer than 15 miles, or less than 30 minutes from your Medical Group or Primary Care Physician’s office. If you are in-area and need to seek Urgent Care for a medical condition, which would not be considered an Emergency, as defined in “Definitions,” you must contact your Medical Group for instructions on what to do. Your Medical Group may refer you to the Urgent Care Facility affiliated with your Medical Group. You must contact your Medical Group regardless of whether Urgent Care is needed during normal business hours or after hours.

Out-of-Area means you are more than thirty (30) minutes, or greater than fifteen (15) miles, from your Medical Group in California. Medically Necessary Urgent Care services are covered when you are out-of-area and seeking health services that cannot be delayed until you return.

You must call us within 48 hours if you are admitted to a Hospital. If you need a hospital stay or long-term care, we’ll check on your progress. When you are able to be moved, we’ll help you return to your Primary Care Physician’s or Medical Group’s area.

If you are out-of-area and a Physician or other type of health care provider not connected with your Medical Group or PCP provides Medically Necessary treatment because of the need for Urgent Care, you will be responsible for any applicable Copayment.

Benefits for Telehealth are provided on the same basis and to the same extent as the same Covered Services provided through in-person contact. In-person contact between a health care Provider and the patient is not required for these services, and the type of setting where these services are provided is not limited. Coverage under this section is not limited to services delivered to select third-party corporate telehealth Providers.

Please Note: Not all services can be delivered through virtual visits. Certain services require equipment and/or direct physical hands-on care that cannot be provided remotely. Also, please note that not all Providers offer virtual visits.

Benefits do not include the use of texting (outside of our mobile app) or non-secure instant messaging. Benefits also do not include reporting normal lab or other test results, requesting office visits, getting answers to billing, insurance coverage or payment questions, asking for referrals to Providers outside our network, benefit precertification, or Provider to Provider discussions except as approved under “Office and Home Visits.”

If you have any questions about this coverage, please contact Member Services at the number on the back of your Identification Card.

Vision Services

Benefits include medical and surgical treatment of injuries and illnesses of the eye.

Certain vision screenings required by Federal law are covered under the “Preventive Care” benefit.

Benefits do not include glasses or contact lenses except as listed in the “Prosthetics” section of this Booklet.

Prescription Drugs Administered by a Medical Provider

Your Plan covers Prescription Drugs, including Specialty Drugs, that must be administered to you as part of a Doctor's visit, home care visit, or at an outpatient Facility when they are Covered Services. This may include Drugs for Infusion Therapy, chemotherapy, blood products, certain injectables, and any Drug that must be administered by a Provider. This section applies when a Provider orders the Drug and a medical Provider administers it to you in a medical setting. Benefits for Drugs that you inject or get through your Pharmacy benefits (i.e., self-administered Drugs) are not covered under this section.

Precertification

Precertification may be required for certain Prescription Drugs to help make sure proper use and guidelines are followed. Requests for precertification must be submitted by your Provider using the required uniform prior authorization form.

For a list of Prescription Drugs that need precertification, please call the phone number on the back of your Identification Card. The list will be reviewed and updated from time to time. Including a Prescription Drug or related item on the list does not guarantee coverage under your Plan. Your Provider may check with us to verify Prescription Drug coverage, to find out which drugs are covered under this section and if any drug edits apply.

If precertification is denied you have the right to file a Grievance as outlined in the "Grievance and External Review Procedures" section of this Booklet.

Note that antiretroviral Drugs that are Medically Necessary for the prevention of AIDS/HIV, including preexposure prophylaxis (PrEP) or postexposure prophylaxis (PEP), are not subject to Precertification. Also, if the United States Food and Drug Administration has approved one or more therapeutic equivalents of a Drug, device, or product for the prevention of AIDS/HIV, then at least one therapeutically equivalent version will be covered without Precertification.

Designated Pharmacy Provider

Anthem may establish one or more Designated Pharmacy Provider programs which provide specific pharmacy services (including shipment of Prescription Drugs) to Members. An In-Network Provider is not necessarily a Designated Pharmacy Provider. To be a Designated Pharmacy Provider, the In-Network Provider must have signed a Designated Pharmacy Provider Agreement with us. You or your Provider can contact Pharmacy Member Services to learn which Pharmacy or Pharmacies are part of a Designated Pharmacy Provider program.

For Prescription Drugs that are shipped to you or your Provider and administered in your Provider's office, you and your Provider are required to order from a Designated Pharmacy Provider. A Patient Care coordinator will work with you and your Provider to obtain Precertification and to assist shipment to your Provider's office.

We may also require you to use a Designated Pharmacy Provider to obtain Prescription Drugs for treatment of certain clinical conditions. We reserve our right to modify the list of Prescription Drugs as well as the setting and/or level of care in which the care is provided to you. Anthem may, from time to time, change with or without advance notice, the Designated Pharmacy Provider for a Drug, if such change can help provide cost effective, value based and/or quality services.

You can get the list of the Prescription Drugs covered under this section by calling Pharmacy Member Services at the phone number on the back of your Identification Card or check our website at www.anthem.com.

Claims Payment

This section describes claims information and what information is needed when you submit a claim. When you receive care from an In-Network Provider, you do not need to file a claim because the In-Network Provider will do this for you. **Please remember that this Plan will not provide benefits for services from Out-of-Network Providers unless the claim is for Emergency Care, Out-of-Area Urgent Care, or for services approved in advance by Anthem as an Authorized Referral.**

Negotiated Fee Rate

General

In-Network Medical Groups are generally paid a capitation fee, a set and agreed to dollar amount per Member each month, for medical services. In-Network Medical Groups may also receive additional reimbursement for certain types of specialty care or for overall efficiency. Medical Groups may also receive additional compensation related to the management of services and referrals. The terms of these arrangements may vary by Medical Group. Hospitals and other health care Facilities are paid negotiated fixed fees or on the basis of a negotiated discount from their standard fee-for-service rates. For additional information you may contact our Member Services department toll free at the telephone number on the back of your Identification Card or you may contact your Medical Group.

You will be required to pay a portion of the Negotiated Fee Rate to the extent you have a Member Cost Share responsibility for Covered Services. Cost Sharing for services with Copayments is the lesser of the Copayment amount or Negotiated Fee Rate.

Generally, services received from an Out-of-Network Provider are not covered under this Plan except for Emergency Care, Out-of-Area Urgent Care, when allowed as a result of a Referral by us, or when you receive services at an In-Network Facility in California, at which or as a result of which, you receive non-Emergency services provided by an Out-of-Network Provider as described in “Member Cost Share” below.

For Emergency Care and Out-of-Area Urgent Care that you receive from an Out-of-Network Provider, payment is based on the Reasonable and Customary Value. When you receive Emergency Care or Out-of-Area Urgent Care within California from an Out-of-Network Provider, (with the exception of certain ambulance Providers, see “Schedule of Benefits”) you are not responsible to pay charges in excess of the Reasonable and Customary Value. Please see Emergency Care and Urgent Care Services in the “What’s Covered” and the “Schedule of Benefits” sections and “Inter-Plan Arrangements” later in this section for additional information. If you receive services from an In-Network Facility in California, at which or as a result of which, you receive non-Emergency Covered Services from Out-of-Network Providers, you will pay no more than the same Cost Sharing that you would pay for those same non-Emergency Covered Services received from an In-Network Provider, and you will not have to pay the Out-of-Network Provider more than the In-Network Cost Sharing for such non-Emergency Covered Services. See “Member Cost Share” below for more information. Federal Surprise Billing Claims are described in the “Consolidated Appropriations Act of 2021 Notice” at the front of this Booklet. Please refer to that section for further details.

Balance Billing

In-Network Providers are prohibited from balance billing. An In-Network Provider has signed an agreement, either directly or indirectly, with Anthem or another organization, to accept the Negotiated Fee Rate or reimbursement rate for Covered Services rendered to a Member who is his or her patient. A Member is not liable for any fee in excess of this determination or negotiated fee, except what is due under the Plan, e.g., Deductibles (if any) or Coinsurance.

Except for Federal Surprise Billing Claims, when State Surprise Billing Claims, if you receive Covered Services from an Out-of-Network Provider, you may be responsible for paying any difference between the Reasonable and Customary Value and the Provider's actual charges. This amount can be significant.

Providers who are not contracted for this product, but are contracted for other products with us are also considered Out-of-Network.

For Covered Services rendered outside Anthem's Service Area by Out-of-Network Providers, claims may be priced using the local Blue Cross Blue Shield plan's non-participating provider fee schedule / rate or the pricing arrangements required by applicable state or federal law. In certain situations, the Reasonable and Customary amount (or when applicable, the Negotiated Fee Rate) for out of area claims may be based on billed charges, the pricing we would use if the healthcare services had been obtained within the Anthem Service Area, or a special negotiated price.

Member Cost Share

For certain Covered Services and depending on your Plan design, you may be required to pay a part of the Negotiated Fee Rate as your Cost Share amount (for example, Deductible, Copayment, and/or Coinsurance).

Please see your "Schedule of Benefits" in this Booklet for your Cost Share responsibilities and limitations, or call Member Services toll free at the telephone number on the back of your Identification Card to learn about this Plan's benefits or Cost Share amounts.

We will not provide any reimbursement for non-Covered Services. You may be responsible for the total amount billed by your Provider for non-Covered Services, regardless of whether such services are performed by an In-Network Provider or Out-of-Network Provider. Non-Covered Services include services specifically excluded from coverage by the terms of your Plan and services received after benefits have been exhausted. Benefits may be exhausted by exceeding for example, benefit caps or day/visit limits.

It is important to understand that Anthem has many contracting Providers who may not be part of your Plan's network of Providers. Do not assume that an Anthem Provider is participating in the network of Providers participating on your Plan. There are no benefits provided when using an Out-of-Network Provider and you may be responsible for the total amount billed by an Out-of-Network Provider. The only exceptions are services received from an Out-of-Network Provider as a result of an Emergency Medical Condition, Out-of-Area Urgent Care or an Authorized Referral, or certain non-Emergency Covered Services that you receive from Out-of-Network Providers while you are at an In-Network Facility, as described below.

In some instances, you may be asked to pay only the lower In-Network Provider Cost Share percentage when you use an Out-of-Network Provider. For example, if you receive services from an In-Network Hospital or Facility in California, at which or as a result of which, you receive non-Emergency Covered Services from an Out-of-Network Provider such as a radiologist, anesthesiologist or pathologist providing services at the Hospital or Facility, you will pay no more than the same Cost Sharing that you would pay for those same non-Emergency Covered Services received from an In-Network Provider, and you will not have to pay the Out-of-Network Provider more than the In-Network Cost Sharing for such non-Emergency Covered Services.

Referrals

In some circumstances, such as where there is no In-Network Provider available for the Covered Service, a Referral may be authorized at the In-Network Cost Share amounts (Copayment or Coinsurance) to

apply to a claim for a Covered Service you receive from an Out-of-Network Provider. Please see the "How Your Plan Works" section for further information on Referral requirements. If you receive authorized Covered Services from an Out-of-Network Provider at In-Network Cost Share amounts, you may be responsible for paying the difference between the Reasonable and Customary Value and the Out-of-Network Provider's charges, unless your claim is a Federal Surprise Billing Claim.

If you receive services from an In-Network Facility in California, at which or as a result of which, you receive non-Emergency Covered Services provided by an Out-of-Network Provider, you will pay the Out-of-Network Provider no more than the same Cost Sharing that you would pay for the same Covered Services received from an In-Network Provider. Please refer to "Member Cost Share" above for more information.

Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

Claims Review

Anthem has processes to review claims before and after payment to detect fraud, waste, abuse and other inappropriate activity. Members seeking Emergency services, Out-of-Area Urgent Care services, or other services authorized according to the terms of this Plan from Out-of-Network Providers could be balance billed by the Out-of-Network Provider for those services that are determined to be not payable as a result of these review processes. Such balance billing must meet the criteria set forth in applicable state law. A claim may also be determined to be not payable due to a Provider's failure to submit medical records with the claims that are under review in these processes.

Notice of Claim & Proof of Loss

After you get Covered Services, we must receive written notice of your claim in order for benefits to be paid.

- In-Network Providers will submit claims for you. They are responsible for ensuring that claims have the information we need to determine benefits. If the claim does not include enough information, we will ask them for more details, and they will be required to supply those details within certain timeframes.

- Out-of-Network claims can be submitted by the Provider if the Provider is willing to file on your behalf. However, if the Provider is not submitting on your behalf, you will be required to submit the claim. Claim forms are usually available from the Provider. If they do not have a claims form, you can send a written request to us, or contact Member Services and ask for a claims form to be sent to you. If you do not receive the claims form, you can still submit written notice of the claim without the claim form. The same information that would be given on the claim form must be included in the written notice of claim, including:

    - Name of patient.
    - Patient's relationship with the Subscriber.
    - Identification number.
    - Date, type, and place of service.
    - Your signature and the Provider's signature.

Out-of-Network claims must be submitted within 180 days after the date of service. In certain cases, state or federal law may allow additional time to file a claim, if you could not reasonably file within the 180-day period. The claim must have the information we need to determine benefits. If the claim does not include enough information, we will ask you for more details and inform you of the time by which we need to receive that information. Once we receive the required information, we will process the claim according to the terms of your Plan.

Please note that failure to submit the information we need by the time listed in our request could result in the denial of your claim, unless state or federal law requires an extension. Please contact Member Services if you have any questions or concerns about how to submit claims.

Payment of Benefits

You authorize us to make payments directly to Providers for Covered Services. In no event, however, shall our right to make payments directly to a Provider be deemed to suggest that any Provider is a beneficiary with independent claims and appeal rights under the Plan. We reserve the right to make payments directly to you as opposed to any Provider for Covered Service. In the event that payment is made directly to you, you have the responsibility to apply this payment to the claim from the Out-of-Network Provider. Payments and notice regarding the receipt and/or adjudication of claims may also be sent to, an Alternate Recipient (which is defined herein as any child of a Subscriber who is recognized, under a "Qualified Medical Child Support Order", as having a right to enrollment under the Group's Plan), or that person's custodial parent or designated representative. Any payments made by us (whether to any Provider for Covered Service or You) will discharge our obligation to pay for Covered Services. You cannot assign your right to receive payment to anyone, except as required by a "Qualified Medical Child Support Order" as defined by, and if subject to, or any applicable state law.

If you receive services from an In-Network Facility in California, at which or as a result of which, you receive non-Emergency Covered Services provided by an Out of-Network Provider, you will pay the Out-of-Network Provider no more than the same Cost Sharing that you would pay for the same Covered Services received from an In-Network Provider. You will not have to pay the Out-of-Network Provider more than the In-Network Cost Sharing for such non-Emergency Covered Services.

Once a Provider performs a Covered Service, we will not honor a request to withhold payment of the claims submitted.

The coverage, rights, and benefits under the Plan are not assignable by any Member without the written consent of the Plan, except as provided above. This prohibition against assignment includes rights to receive payment, claim benefits under the Plan and/or law, sue or otherwise begin legal action, or request Plan documents or any other information that a Participant or beneficiary may request. Any assignment made without written consent from the Plan will be void and unenforceable.

See "Provider Reimbursement" and "Responsibility to Pay Providers" in the "General Provisions" section for additional details.

Inter-Plan Arrangements

Out-of-Area Services

Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules

and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever you access healthcare services outside the State of California, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When you receive care outside of California, you will receive it from one of two kinds of Providers. Most Providers ("participating providers") contract with the local Blue Cross and/or Blue Shield Plan in that geographic area ("Host Blue"). Some Providers ("nonparticipating providers") don't contract with the Host Blue. We explain below how we pay both kinds of Providers.

Anthem covers only limited healthcare services received outside of California. For example, Emergency or Urgent Care obtained outside of California is always covered. Any other services will not be covered when processed through any Inter-Plan Arrangements, unless authorized by Anthem.

Inter-Plan Arrangements Eligibility – Claim Types

Most claim types are eligible to be processed through Inter-Plan Arrangements, as described above. Examples of claims that are not included are most dental or vision benefits.

A. BlueCard® Program

Under the BlueCard® Program, when you receive Covered Services within the geographic area served by a Host Blue, we will still fulfill our contractual obligations. But, the Host Blue is responsible for: (a) contracting with its Providers; and (b) handling its interactions with those Providers.

When you receive Covered Services outside of California and the claim is processed through the BlueCard Program, the amount you pay is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to us.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to the Provider. Sometimes, it is an estimated price that takes into account special arrangements with that Provider. Sometimes, such an arrangement may be an average price, based on a discount that results in expected average savings for services provided by similar types of Providers. Estimated and average pricing arrangements may also involve types of settlements, incentive payments and/or other credits or charges.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price we used for your claim because they will not be applied after a claim has already been paid.

B. Negotiated (non–BlueCard Program) Arrangements

With respect to one or more Host Blues, instead of using the BlueCard Program, Anthem may process your claims for Covered Services through Negotiated Arrangements for National Accounts.

The amount you pay for Covered Services under this arrangement will be calculated based on the lower of either billed charges for Covered Services or the negotiated price (refer to the description of negotiated price under Section A. BlueCard Program) made available to Anthem by the Host Blue.

C. Special Cases: Value-Based Programs

BlueCard® Program

If you receive Covered Services under a Value-Based Program inside a Host Blue's Service Area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Anthem through average pricing or fee schedule adjustments. Additional information is available upon request.

Value-Based Programs: Negotiated (non–BlueCard Program) Arrangements

If Anthem has entered into a Negotiated Arrangement with a Host Blue to provide Value-Based Programs to the Plan on your behalf, Anthem will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard Program.

D. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

E. Nonparticipating Providers Outside California

1. Allowed Amounts and Member Liability Calculation

When Covered Services are provided outside of California by non-participating providers, we may determine benefits and make payment based on pricing from either the Host Blue or the pricing arrangements required by applicable state or federal law. In these situations, the amount you pay for such services as Deductible, Copayment or Coinsurance will be based on that allowed amount. Also, you may be responsible for the difference between the amount that the non-participating provider bills and the payment we will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, will govern payments for out-of-network Emergency services.

2. Exceptions

In certain situations, we may use other pricing methods, such as billed charges or the pricing we would use if the healthcare services had been obtained within California, or a special negotiated price to determine the amount we will pay for services provided by nonparticipating providers. In these situations, you may be liable for the difference between the amount that the nonparticipating provider bills and the payment we make for the Covered Services as set forth in this paragraph.

Member Services is also available to assist you in determining your allowed amount for a particular service from a non-participating provider. In order for Anthem to assist you, you will need to obtain from the non-participating provider the specific procedure code(s) and diagnosis code(s) for the services the provider will render. You will also need to know the provider's charges to calculate your out-of-pocket responsibility. Although Member Services can assist you with this information, the final allowed amount for your claim will be based on the actual claim submitted by the provider. You may call Member Services toll free at the telephone number on the back of your Identification Card for their assistance.

F. Blue Cross Blue Shield Global Core® Program

If you plan to travel outside the United States, call Member Services to find out your Blue Cross Blue Shield Global Core® benefits. Benefits for services received outside of the United States may be different from services received in the United States. The Plan only covers Emergency, including ambulance, outside of the United States. Remember to take an up to date health ID card with you.

When you are traveling abroad and need medical care, you can call the Blue Cross Blue Shield Global Core® Service Center any time. They are available 24 hours a day, seven days a week. The toll free number is 800-810-2583. Or you can call them collect at 804-673-1177.

Keep in mind, if you need Emergency medical care, go to the nearest hospital. There is no need to call before you receive care.

Please refer to the "Getting Approval for Benefits" section in this Booklet for further information.

How Claims are Paid with Blue Cross Blue Shield Global Core®

In most cases, when you arrange inpatient hospital care with Blue Cross Blue Shield Global Core®, claims will be filed for you. The only amounts that you may need to pay up front are any Copayment, Coinsurance or Deductible amounts that may apply.

You will typically need to pay for the following services up front:

- Doctors services;
- Inpatient hospital care not arranged through Blue Cross Blue Shield Global Core®; and
- Outpatient services.

You will need to file a claim form for any payments made up front.

When you need Blue Cross Blue Shield Global Core® claim forms you can get international claims forms in the following ways:

- Call the Blue Cross Blue Shield Global Core® Service Center at the numbers above; or
- Online at www.bcbsglobalcore.com.

You will find the address for mailing the claim on the form.

Guest Membership (Away from Home Care)

If you or your family members will be away from home for more than 90 days, you may be able to get a Guest Membership in a Medical Group in the city you are visiting.

- Before you leave home, call the Member Services number on your Member ID card.
- Ask for the Guest Membership Coordinator.
- We will send you forms to fill out.
- If there is a Medical Group taking part in the national network in the city you will be visiting, you'll be a guest member while you're away from home.
- The benefits you will get may not be the same as the benefits you would get at home.

Even without a Guest Membership, you can get Medically Necessary care (Urgent Care, Emergency Care, or follow-up care) when you are away from home.

Coordination of Benefits When Members Are Covered Under More Than One Plan

If you are covered by more than one group health plan your benefits under This Plan will be coordinated with the benefits of those Other Plans so that the benefits and services you receive from all group coverages do not exceed 100% of the allowed amount. These coordination provisions apply separately to each Member, per calendar year, and are largely determined by California law. Any coverage you have for medical benefits will be coordinated as shown below.

DEFINITIONS

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appears in these provisions, the first letter of each word will be capitalized. When you see these capitalized words, you should refer to this “Definitions” provision.

Allowable Expense is any necessary, reasonable and customary item of expense which is at least partially covered by any plan covering the person for whom a claim is made. When a Plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered will be deemed to be both an Allowable Expense and a benefit paid. An expense that is not covered by any plan covering the person for whom a claim is made is not an Allowable Expense.

The following are not an Allowable Expense:

1. Use of a private Hospital room is not an Allowable Expense unless the patient's stay in a private Hospital room is Medically Necessary in terms of generally accepted medical practice, or one of the plans routinely provides coverage for Hospital private rooms.

2. If you are covered by two plans that calculate benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method, any amount in excess of the higher of the reasonable and customary amounts.

1. If a person is covered by two plans that provide benefits or services on the basis of negotiated rates or fees, an amount in excess of the lower of the negotiated rates.

2. If a person is covered by one plan that calculates its benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method and another plan provides its benefits or services on the basis of negotiated rates or fees, any amount in excess of the negotiated rate.

3. The amount of any benefit reduction by the Principal Plan because you did not comply with the plan’s provisions is not an Allowable Expense. Examples of these types of provisions include second surgical opinions, utilization review requirements, and network provider arrangements.

4. If you advise us that all plans covering you are high deductible health plans as defined by Section 223 of the Internal Revenue Code, and you intend to contribute to a health savings account established in accordance with Section 223 of the Internal Revenue Code, any amount that is subject to the primary high deductible health plan’s deductible.

Other Plan is any of the following:

1. Group, blanket or franchise insurance coverage;

2. Group service plan contract, group practice, group individual practice and other group prepayment coverages;
3. Group coverage under labor-management trusteed plans, union benefit organization plans, employer organization plans, employee benefit organization plans or self-insured employee benefit plans.

The term “Other Plan” refers separately to each agreement, policy, contract, or other arrangement for services and benefits, and only to that portion of such agreement, policy, contract, or arrangement which reserves the right to take the services or benefits of Other Plans into consideration in determining benefits.

Principal Plan is the plan which will have its benefits determined first.

This Plan is that portion of This Plan which provides benefits subject to this provision.

EFFECT ON BENEFITS

1. If This Plan is the Principal Plan, then its benefits will be determined first without taking into account the benefits or services of any Other Plan.
2. If This Plan is not the Principal Plan, then its benefits may be reduced so that the benefits and services of all the plans do not exceed Allowable Expense.
3. The benefits of This Plan will never be greater than the sum of the benefits that would have been paid if you were covered under This Plan only.

ORDER OF BENEFITS DETERMINATION

The first of the following rules which applies will determine the order in which benefits are payable:

1. A plan which has no Coordination of Benefits provision pays before a plan which has a Coordination of Benefits provision.

2. A plan which covers you as a Subscriber pays before a plan which covers you as a dependent. But, if you are a Medicare beneficiary and also a dependent of an employee with current employment status under another plan, this rule might change. If, according to Medicare’s rules, Medicare pays after that plan which covers you as a dependent, then the plan which covers you as a dependent pays before a plan which covers you as a Subscriber.

   For example: You are covered as a retired Subscriber under This Plan and entitled to Medicare (Medicare would pay first, This Plan would pay second). You are also covered as a dependent of an active employee under another plan provided by an employer group of twenty (20) or more employees (then, according to Medicare’s rules, Medicare would pay second). In this situation, the plan which covers you as a dependent of an active employee will pay first, Medicare will pay second, and the plan which covers you as a retired Subscriber will pay last.

3. For a dependent child covered under plans of two parents, the plan of the parent whose birthday falls earlier in the calendar year pays before the plan of the parent whose birthday falls later in the calendar year. But if one plan does not have a birthday rule provision, the provisions of that plan determine the order of benefits.

   Exception to rule 3: For a dependent child of parents who are divorced or separated, the following rules will be used in place of rule 3:

   a. If the parent with custody of that child for whom a claim has been made has not remarried, then the plan of the parent with custody that covers that child as a dependent pays first.

b. If the parent with custody of that child for whom a claim has been made has remarried, then the order in which benefits are paid will be as follows:

   i. The plan which covers that child as a dependent of the parent with custody.
   ii. The plan which covers that child as a dependent of the stepparent (married to the parent with custody).
   iii. The plan which covers that child as a dependent of the parent without custody.
   iv. The plan which covers that child as a dependent of the stepparent (married to the parent without custody).

c. Regardless of a. and b. above, if there is a court decree which establishes a parent's financial responsibility for that child's health care coverage, a plan which covers that child as a dependent of that parent pays first.

4. The plan covering you as a laid-off or retired employee or as a dependent of a laid-off or retired employee pays after a plan covering you as other than a laid-off or retired employee or the dependent of such a person. But, if either plan does not have a provision regarding laid-off or retired employees, provision 6. applies.

5. The plan covering you under a continuation of coverage provision in accordance with state or federal law pays last. If the order of benefit determination provisions of the Other Plan does not agree under these circumstances with the order of benefit determination provisions of This Plan, this rule will not apply.

6. When the above rules do not establish the order of payment, the plan on which you have been enrolled the longest pays first unless two of the plans have the same effective date. In this case, Allowable Expense is split equally between the two plans.

OUR RIGHTS UNDER THIS PROVISION

Responsibility for Timely Notice. We are not responsible for coordination of benefits unless timely information has been provided by the requesting party regarding the application of this provision.

Reasonable Cash Value. If any Other Plan provides benefits in the form of services rather than cash payment, the reasonable cash value of services provided will be considered Allowable Expense. The reasonable cash value of such service will be considered a benefit paid, and our liability will be reduced accordingly.

Facility of Payment. If payments which should have been made under This Plan have been made under any Other Plan, we have the right to pay that Other Plan any amount we determine to be warranted to satisfy the intent of this provision. Any such amount will be considered a benefit paid under This Plan, and such payment will fully satisfy our liability under this provision.

Right of Recovery. If payments made under This Plan exceed the maximum payment necessary to satisfy the intent of this provision, we have the right to recover that excess amount from any persons or organizations to or for whom those payments were made, or from any insurance company or service plan.

Third Party Liability and Reimbursement

Under some circumstances, a third party may be liable or legally responsible by reason of negligence, an intentional act, or the breach of a legal obligation of such third party for an injury, disease, or other condition for which a Member receives Covered Services. As a result, a Member may receive a Recovery, which includes, but is not limited to, payment received from any person or party, any person's or party's liability insurance coverage, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, workers' compensation insurance or fund, premises medical payments coverage, restitution, "no-fault" or personal injury protection insurance and/or automobile medical payments coverage, or any other first or third party insurance coverage. In that event, any benefits we pay under this Booklet for such Covered Services will be subject to the following:

We will automatically have a lien upon any amount you receive from any, insurer, or other source of monetary compensation by judgment, award, settlement or otherwise. Our lien will be in the amount of the benefits we pay for treatment of the illness, injury, disease, or condition for which a third party is alleged to be liable or financially responsible. Our lien will not exceed the amount we actually paid for those services if we paid the Provider other than on a capitated basis. If we paid the Provider on a capitated basis, our lien will not exceed 80% of the usual and customary charges for those services in the geographic area in which they were rendered.

We will be entitled to collect on the full amount of our lien, except that our Recovery is limited to the lesser of:

- The total lien minus a pro rata reduction for reasonable attorney fees and costs, or
- One-third of the moneys due to the enrollee or insured under any final judgment, compromise or settlement agreement if you have an attorney, or
- One-half of the moneys due to the enrollee or insured under any final judgment, compromise, or settlement agreement if you do not have an attorney.

If a final judgment includes a special finding by a judge, jury or arbitrator that you were partially at fault, our lien shall be reduced by the same comparative fault percentage by which your Recovery was reduced.

You agree to advise us in writing of your claim against a third party within sixty (60) days of making such claim, and that you will take such action, furnish such information and assistance, and execute such papers as we may require to facilitate enforcement of our lien rights. You agree not to take any action that may prejudice our rights or interests under the Agreement. You agree also that failing to give us such notice, or failing to cooperate with us, or taking action that prejudices our rights will be a material breach of the Agreement. In the event of such material breach, you will be personally responsible and liable for reimbursing to us the amount of benefits we paid.

We will be entitled to collect on our lien as a first priority even if the Member is not made whole by the Recovery and the amount recovered by or for the Member (or his or her estate, parent or legal guardian) as compensation for the injury, illness or condition is less than the actual loss suffered by the Member.

Grievance and External Review Procedures

We want your experience with us to be as positive as possible. There may be times, however, when you have a complaint, problem, or question about your Plan or a service you have received. If you have any questions or inquiries regarding services under this Booklet, contact your Anthem HMO coordinator at your Medical Group or Anthem HMO Member Services department at the telephone number on the back of your Identification Card.

If you are dissatisfied and wish to file a Grievance, you may request a copy of the Grievance form from your Medical Group or Anthem HMO. You may also ask the Member Services representative to complete the form for you over the telephone or you may submit a Grievance form online in the "Members" section at www.anthem.com. You must submit your Grievance to us no later than 180 days following the date of the denial notice from us that you allege to be improper. You must include all pertinent information from your Identification Card and the details and circumstances of your concern or problem. Upon receipt of your Grievance, your issue will become part of our formal Grievance process and will be resolved accordingly.

Grievances received by us will be acknowledged in writing as required by law.

To request a Grievance, you may telephone us at the telephone number on the back of your Identification Card, or you may write to us at the following addresses:

Anthem Blue Cross HMO
Attn: Grievances and Appeals
P.O. Box 4310
Woodland Hills, CA 91365-4310

A "Grievance" means a written or oral expression of dissatisfaction regarding the Plan and/or Provider, including quality of care concerns, and shall include a complaint, dispute, request for reconsideration or appeal made by a Member or the Member's representative. A Grievance also includes a written or oral expression of dissatisfaction to us or to the Department of Managed Health Care (DMHC) by a Member who believes this Plan has been or will be improperly cancelled, rescinded, or not renewed. Where we are unable to distinguish between a grievance and an inquiry, it shall be considered a grievance. "Complaint" is the same as "Grievance."

You must document the circumstances surrounding your Grievance/appeal, and submit this information along with any medical documents, including bills or records.

Except for Grievances that concern the Prescription Drug List, we will review and respond to your Grievance within the following timeframes:

- After we have received your Grievance/appeal, we will send you a written statement on its resolution within thirty (30) days.

- If your case involves an imminent and serious threat to your health, including, but not limited to, severe pain or the potential loss of life, limb, or major bodily function, or you believe this Plan has been or will be improperly cancelled, rescinded, or not renewed, review of your Grievance/appeal will be expedited, and we will provide you with a written statement on the disposition or pending status of the Grievance no later than three (3) days from the receipt of the Grievance.

If you are dissatisfied with the resolution of your issue, or if your Grievance has not been resolved after at least thirty (30) days, you also have the option of submitting your Grievance to the Department of Managed Health Care (DMHC) for review. If your case involves an imminent and serious threat to your

health, as described above, or a cancellation or non-renewal of coverage under this Booklet, you are not required to complete our Grievance/appeal process, but may immediately submit your Grievance to the Department of Managed Health Care for review.

If, after a denial of benefits, we consider, rely on or generate any new or additional evidence in connection with your claim, we will provide you with that new or additional evidence, free of charge. We will not base our Grievance decision on a new or additional rationale without first providing you (free of charge) with, and a reasonable opportunity to respond to, any such new or additional rationale. If we fail to follow the Grievance procedures outlined under this section the Grievance process may be deemed exhausted. However, the Grievance process will not be deemed exhausted due to de minimis violations that do not cause, and are not likely to cause, prejudice or harm so long as the error was for good cause or due to matters beyond our control.

You may at any time pursue your ultimate remedy, which is binding arbitration (see “Binding Arbitration” in this section for additional details).

Independent Medical Review Based Upon the Denial of Experimental or Investigational Treatment

If a Member has had coverage denied because proposed treatment is determined by us to be Experimental or Investigational, that Member may ask for review of that denial by an Independent Medical Review (“IMR”) organization contracting with the Department of Managed Health Care. A request for review may be submitted to the Department of Managed Health Care in accordance with the procedures described under “INDEPENDENT MEDICAL REVIEW OF GRIEVANCES INVOLVING A DISPUTED HEALTH CARE SERVICE.” To qualify for IMR, all of the following conditions must be satisfied:

The Member has a life-threatening or seriously debilitating condition.

- A life-threatening condition is a condition or disease where the likelihood of death is high unless the course of the condition or disease is interrupted and/or a condition or disease with a potentially fatal outcome where the end-point of clinical intervention is survival.

- A seriously debilitating condition is a disease or condition that causes major, irreversible morbidity.

- The proposed treatment must be recommended by an In-Network Provider, or a board certified or board eligible Physician qualified to treat the Member, who has certified in writing that it is more likely to be beneficial than standard treatment, and who has provided the supporting evidence.

- If an IMR is requested by the Member or by a qualified Out-of-Network Provider, as described above, the requester must supply two items of acceptable medical and scientific evidence (as defined below).

Within three (3) business days of our receipt from the Department of Managed Health Care of a request by a qualified Member for an IMR, we will provide the IMR organization designated by the Department with a copy of all relevant medical records and documents for review, and any information submitted by the Member or the Member’s Physician. Any subsequent information received will be forwarded to the IMR organization within three (3) business days. Additionally, any newly developed or discovered relevant medical records identified by us or our In-Network Providers after the initial documents are provided will be forwarded immediately to the IMR organization. The IMR organization will render its determination within thirty (30) days of the request (or seven (7) days in the case of an expedited review), except the reviewer may ask for three (3) more days if there was any delay in receiving the necessary records.

"Acceptable medical and scientific evidence" means the following sources:

- Peer reviewed scientific studies published in or accepted for publication by medical journals that meet nationally recognized requirements for scientific manuscripts and that submit most of their published articles for review by experts who are not part of the editorial staff;
- Medical journals recognized by the Secretary of Health and Human Services under Section 1861 (t) (2) of the Social Security Act;
- Either of the following reference compendia: The American Hospital Formulary Service's-Drug Information or the American Dental Association Accepted Dental Therapeutics;
- Any of the following reference compendia, if recognized by the federal Centers for Medicare & Medicaid Services as part of an anticancer chemotherapeutic regimen:
  - The Elsevier Gold Standard's Clinical Pharmacology.
  - The National Comprehensive Cancer Network.
  - The Thomson Micromedex DrugDex.
- Medical literature meeting the criteria of the National Institutes of Health's National Library of Medicine for indexing in Index Medicus, Excerpta Medicus, Medline, MEDLARS database Health Services Technology Assessment Research;
- Findings, studies or research conducted by or under the auspices of federal governmental agencies and nationally recognized federal research institutes; and
- Peer reviewed abstracts accepted for presentation at major medical association meetings.

Independent Medical Review of Grievances Involving A Disputed Health Care Service

You may request an Independent Medical Review ("IMR") of disputed health care services from the Department of Managed Health Care (DMHC) if you believe that we have improperly denied, modified, or delayed health care services. A "disputed health care service" is any health care service eligible for coverage and payment under your Plan that has been denied, modified, or delayed by us, in whole or in part, because the service is not Medically Necessary.

The IMR process is in addition to any other procedures or remedies that may be available to you. You pay no application or processing fees of any kind for IMR. You have the right to provide information in support of the request for IMR. We must provide you with an IMR application form with any Grievance disposition letter that denies, modifies, or delays health care services. A decision not to participate in the IMR process may cause you to forfeit any statutory right to pursue legal action against us regarding the disputed health care service.

Eligibility: The DMHC will review your application for IMR to confirm that:

1. a. Your Doctor has recommended a health care service as Medically Necessary,
   b. You have received Urgent Care or Emergency services that a Provider determined was Medically Necessary, or
   c. You have been seen by an In-Network Provider for the diagnosis or treatment of the medical condition for which you seek independent review;

2. The disputed health care service has been denied, modified, or delayed by us based in whole or in part on a decision that the health care service is not Medically Necessary; and

3. You have filed a Grievance with us and the disputed decision is upheld or the Grievance remains unresolved after thirty (30) days. If your Grievance requires expedited review you may bring it immediately to the DMHC's attention. The DMHC may waive the requirement that you follow our Grievance process in extraordinary and compelling cases.

If your case is eligible for IMR, the dispute will be submitted to a medical specialist who will make an independent determination of whether or not the care is Medically Necessary. You will receive a copy of the assessment made in your case. If the IMR determines the service is Medically Necessary, we will provide benefits for the health care service.

For non-urgent cases, the IMR organization designated by the DMHC must provide its determination within thirty (30) days of receipt of your application and supporting documents. For urgent cases involving an imminent and serious threat to your health, including, but not limited to, serious pain, the potential loss of life, limb, or major bodily function, or the immediate and serious deterioration of your health, the IMR organization must provide its determination within three (3) business days.

For more information regarding the IMR process, or to request an application form, please call our Member Services department at the telephone number listed on the back of your Identification Card.

Department of Managed Health Care

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a Grievance against your health plan, you should first telephone your health plan at **1-800-365-0609** or at the TDD line **1-866-333-4823** for the hearing and speech impaired and use your health plan's Grievance process before contacting the department. Utilizing this Grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a Grievance involving an Emergency, a Grievance that has not been satisfactorily resolved by your health plan, or a Grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the Medical Necessity of a proposed service or treatment, coverage decisions for treatments that are Experimental or Investigational in nature and payment disputes for Emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's internet website **www.dmhc.ca.gov** has complaint forms, IMR application forms and instructions on-line.

Binding Arbitration

ALL DISPUTES BETWEEN YOU AND ANTHEM BLUE CROSS, INCLUDING BUT NOT LIMITED TO DISPUTES RELATING TO THE DELIVERY OF SERVICE UNDER THE PLAN OR ANY OTHER ISSUES RELATED TO THE PLAN AND CLAIMS OF MEDICAL MALPRACTICE MUST BE RESOLVED BY BINDING ARBITRATION, IF THE AMOUNT IN DISPUTE EXCEEDS THE JURISDICTIONAL LIMIT OF SMALL CLAIMS COURT AND THE DISPUTE CAN BE SUBMITTED TO BINDING ARBITRATION UNDER APPLICABLE FEDERAL AND STATE LAW, INCLUDING BUT NOT LIMITED TO, THE PATIENT PROTECTION AND AFFORDABLE CARE ACT. California Health and Safety Code Section 1363.1 require specified disclosures in this regard: It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as permitted and provided by federal and California law, including but not limited to, the Patient Protection and Affordable Care Act, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration. YOU AND ANTHEM BLUE CROSS AGREE TO BE BOUND BY THIS ARBITRATION PROVISION. YOU ACKNOWLEDGE THAT FOR DISPUTES THAT ARE SUBJECT TO

ARBITRATION UNDER STATE OR FEDERAL LAW THE RIGHT TO A JURY TRIAL, THE RIGHT TO A BENCH TRIAL UNDER CALIFORNIA BUSINESS AND PROFESSIONS CODE SECTION 17200, AND/OR THE RIGHT TO ASSERT AND/OR PARTICIPATE IN A CLASS ACTION ARE ALL WAIVED BY YOU. If your plan is subject to 45 CFR 147.136, this agreement does not limit your rights to internal and external review of adverse benefit determinations as required by that law. Enforcement of this arbitration clause, including the waiver of class actions, shall be determined under the Federal Arbitration Act ("FAA"), including the FAA's preemptive effect on state law.

The Federal Arbitration Act shall govern the interpretation and enforcement of all proceedings under this BINDING ARBITRATION provision. To the extent that the Federal Arbitration Act is inapplicable, or is held not to require arbitration of a particular claim, state law governing agreements to arbitrate shall apply.

The arbitration findings will be final and binding except to the extent that state or federal law provides for the judicial review of arbitration proceedings.

The arbitration is initiated by the Member making written demand on Anthem Blue Cross. The arbitration will be conducted by Judicial Arbitration and Mediation Services ("JAMS"), according to its applicable Rules and Procedures. If for any reason JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by another neutral arbitration entity, by agreement of the Member and Anthem Blue Cross, or by order of the court, if the Member and Anthem Blue Cross cannot agree.

The costs of the arbitration will be allocated per the JAMS Policy on Consumer Arbitrations. If the arbitration is not conducted by JAMS, the costs will be shared equally by the parties, except in cases of extreme financial hardship, upon application to the neutral arbitration entity to which the parties have agreed, in which cases, Anthem Blue Cross will assume all or a portion of the Member's costs of the arbitration. Unless you and Anthem Blue Cross agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding. Anthem Blue Cross will provide Members, upon request, with an application, or information on how to obtain an application from the neutral arbitration entity, for relief of all or a portion of their share of the fees and expenses of the neutral arbitration entity. Approval or denial of an application in the case of extreme financial hardship will be determined by the neutral arbitration entity.

Please send all binding arbitration demands in writing to:

Eligibility and Enrollment – Adding Members
Participation Requirements

In this section you will find information on who is eligible for coverage under this Plan and when Members can be added to your coverage. Eligibility requirements are described in general terms below.

Who is Eligible for Coverage

The Subscriber

A Subscriber is

a. A classified non-temporary Subscriber who works the minimum number of hours required by SISC III and the Participating Employer.

b. A certificated Subscriber under contract and who works a minimum of 50% of a certificated job.

c. A retired employee who retired from active employment and was covered under a Plan sponsored by SISC III immediately prior to retirement.

Any Subscriber who works at least 20 hours per week is eligible to enroll. Any Subscriber who works an average of 30 hours per week as defined by federal law must be offered coverage. Any Subscriber who works at least 90% of a 40-hour work week must enroll according to SISC III's eligibility policy.

Dependents

The following persons are eligible to enroll as Dependents: (a) Either the Subscribers spouse or domestic partner; and (b) A child.

A Dependent becomes eligible for coverage on the later of: (a) the date the Subscriber becomes eligible for coverage; or, (b) the date you meet the Dependent definition.

To be eligible to enroll as a Dependent, you must be listed on the enrollment form completed by the Subscriber, meet all Dependent eligibility criteria established by the Plan Administrator, and be one of the following:

- The Subscriber's spouse. A Spouse is the subscriber's spouse as recognized under state or federal law. This includes same sex spouses when legally married in a state that recognizes same sex marriages. Spouse does not include any person who is in active service in the armed forces.

  Note: Legally separated spouses are eligible for coverage under this Plan.

  You can enroll both as an employee and a spouse or domestic partner. If you and your spouse, or domestic partner, are both covered as employees under this Plan, your children may be covered as family members of both. However, the total amount of benefits we will pay will not be more than the amount covered.

- The Subscriber's Domestic Partner. Domestic partner is the subscriber's domestic partner. Domestic partner does not include any person who is in active service in the armed forces. In order for the subscriber to include their domestic partner as a dependent, the subscriber and domestic partner must meet the following requirements:
  - a. Both persons have a common residence.
  - b. Both persons agree to be jointly responsible for each other's basic living expenses incurred during their domestic partnership.

- c. Neither person is married or a member of another domestic partnership.
- d. The two persons are not related by blood in a way that would prevent them from being married to each other in California.
- e. Both persons are at least 18 years of age.
- f. Either of the following: i. Both persons are members of the same sex; or ii. One or both of the persons meet the eligibility criteria under Title II of the Social Security Act as defined in 42 U.S.C. Section 402(a) for old-age insurance benefits or Title XVI of the Social Security Act as defined in 42 U.S.C. Section 1381 for aged members. Notwithstanding any other provision of this section, persons of opposite sexes may not constitute a domestic partnership unless one or both of the persons are over the age of 62 and are registered with the State of California.66
- g. Both persons are capable of consenting to the domestic partnership.
- h. Neither person has previously filed:
    - (1) a Declaration of Domestic Partnership with the California Secretary of State, or a similar form with another governing jurisdiction, that has not been terminated pursuant to the laws of California, or of that other jurisdiction, or if
        - (1) does not apply,
        - (2) an affidavit with SISC III declaring they are part of a domestic partnership that they have not been terminated by giving SISC III written notice that it has.
- i. It has been at least six months since:
    - (1) the date that the Notice of Termination of Domestic Partnership was filed with the California Secretary of State, or similar form was filed with another governing authority; or, if (1) does not apply,
    - (2) either person has given written notice to SISC III that the domestic partnership they declared in an affidavit, given to SISC III, has terminated. This item does not apply if the previous domestic partnership ended because one of the partners died or married.

- j. Both partners:
    - i. If they reside in the State of California, must file a Declaration of Domestic Partnership with the California Secretary of State pursuant to Division 2.5 of the California Family Code to establish their domestic partnership. The subscriber must provide SISC III with a certified copy of the Declaration of Domestic Partnership that was filed with the California Secretary of State.
    - ii. If they reside in another state or governing jurisdiction that registers domestic partnerships, they must register their domestic partnership with that state or governing jurisdiction. The subscriber must provide SISC III with a certified copy of the document that was filed with the governing jurisdiction registering their domestic partnership; or
    - iii. If the subscriber and their domestic partner do not reside in a city, county or state that allows them to register as domestic partners, they must provide SISC III with a signed, notarized, affidavit certifying they meet all of the requirements set forth in 2.a through 2.i above, inclusive.

      Note: For the purposes of 2.j.i above, if the subscriber and their domestic partner registered their relationship prior to July 1, 2000, with a local governing jurisdiction

in California, in lieu of supplying SISC III with a certified copy of the Declaration of Domestic Partnership (a State of California form), the subscriber may provide SISC III with a certified copy of the form filed with the local governing jurisdiction.

For the purposes of this provision, the following definitions apply: "Have a common residence" means that both domestic partners share the same residence. It is not necessary that the legal right to possess the common residence be in both of their names. Two people have a common residence even if one or both have additional residences. Domestic partners do not cease to have a common residence if one leaves the common residence but intends to return. "Basic living expenses" means shelter, utilities, and all other costs directly related to the maintenance of the common household of the common residence of the domestic partners. It also means any other cost, such as medical care, if some or all of the cost is paid as a benefit because a person is another person's domestic partner. "Joint responsibility" means that each partner agrees to provide for the other partner's basic living expenses if the partner is unable to provide for herself or himself. Persons to whom these expenses are owed may enforce this responsibility if, in extending credit or providing goods or services, they relied on the existence of the domestic partnership and the agreement of both partners to be jointly responsible for those specific expenses.

- Child is the subscriber’s, spouse's or domestic partner’s, natural child, stepchild, legally adopted child, or a child for whom the subscriber, spouse or domestic partner has been appointed legal guardian by a court of law or has legal custody according to a court of law, subject to the following:
    - a. The child is under 26 years of age.
    - b. The unmarried child is 26 years of age, or older and:
        - (i) continues to be dependent on the subscriber, spouse or domestic partner for financial support and maintenance as defined by IRS rules. A child is considered chiefly dependent for support and maintenance if he or she is claimed as a dependent for federal income tax purposes; and
        - (ii) is incapable of self-sustaining employment due to a physical or mental condition and the disability existed prior to reaching age 26 and has remained continuously disabled since age 26, as certified by a licensed physician. A licensed physician must certify in writing that the child is incapable of self-sustaining employment due to a physical or mental condition and that the child has remained continuously disabled since age 26. SISC III must receive the certification, at no expense to itself, within 60-days of the date the subscriber receives the request from SISC III. SISC III may request proof of continuing dependency and that a physical or mental condition still exists, but not more often than once each year after the initial certification. This exception will last until the child is no longer chiefly dependent on the subscriber, spouse or domestic partner for financial support as defined by IRS rules and maintenance due to a continuing physical or mental condition. A child is considered chiefly dependent for support and maintenance if he or she is claimed as a dependent for federal income tax purposes.
    - c. A child who is in the process of being adopted is considered a legally adopted child if SISC III receives legal evidence of both:
        - (i) the intent to adopt; and
        - (ii) that the subscriber, spouse or domestic partner have either:
            - (a) the right to control the health care of the child; or
            - (b) assumed a legal obligation for full or partial financial responsibility for the child in anticipation of the child's adoption.

- (c) Legal evidence to control the health care of the child means a written document, including, but not limited to, a health facility minor release report, a medical authorization form, or relinquishment form, signed by the child's birth parent, or other appropriate authority, or in the absence of a written document, other evidence of the subscriber's, the spouse's or domestic partner's right to control the health care of the child.

- d. A Child for whom the subscriber, spouse or domestic partner is a legal guardian is considered eligible on the date of the court decree. SISC III must receive legal evidence of the decree. Such Child must be enrolled as set forth in the Eligibility Section.

For purposes of this Plan, a Domestic Partner shall be treated the same as a spouse, and a Domestic Partner's child, adopted child, or child for whom a Domestic Partner has legal guardianship shall be treated the same as any other child.

Any federal or state law that applies to a Member who is a spouse or child under this Plan shall also apply to a Domestic Partner or a Domestic Partner's child who is a Member under this Plan. This includes but is not limited to, COBRA, FMLA, and COB. A Domestic Partner's or a Domestic Partner's child's coverage ends on the date of dissolution of the Domestic Partnership.

Important Note: Before a Dependent's enrollment is processed, SISC III reserves the right to request documentation or proof of his or her eligibility (that is a marriage certificate, a birth certificate, a court decree, adoption papers or any other documentation that SISC III deems relevant and appropriate). SISC also reserves the right to request any relevant and appropriate documentation at any time to confirm a Dependent's continued eligibility. In addition, before you can enroll your Domestic Partner, SISC III reserves the right to request documentation or proof to support the Domestic Partnership (that is a Declaration of Domestic Partnership or properly executed affidavit as noted above under Domestic Partner).

No one shall be eligible as a Dependent if they are denied enrollment in their employer sponsored medical Plan and alternatively required to be covered by their employer's MERP (Medical Expense Reimbursement Plan) or other Plan whose design shifts all comprehensive medical care to the SISC medical Plan and which does not have standard Coordination of Benefits Rules.

All enrolled eligible children will continue to be covered until the age limit listed in the Schedule of Benefits.

The Plan may require you to give proof of continued eligibility for any enrolled child. Your failure to give this information could result in termination of a child's coverage.

To obtain coverage for children, the Plan may require you to give the Claims Administrator a copy of any legal documents awarding guardianship of such child(ren) to you.

Types of Coverage

The types of coverage available to the Employee are indicated at the time of enrollment through the Employer.

When You Can Enroll

Enrollment

Your Employer offers an enrollment period to Subscribers and their Dependents who are eligible for coverage in accordance with rules established by SISC III. Your effective date of coverage is subject to

the timely payment of required monthly contributions as stated in the participation agreement. The date you become covered is determined as follows:

1. Timely Enrollment: If you enroll for coverage before, on, or within 31 days after your eligibility date, then your coverage will begin as follows: (a) for subscribers, on the first day of the month following your date of hire or the first day of your hire month if your hire date is the first working day of the month; and (b) for dependents, on the later of (i) the date the subscriber's coverage begins, or (ii) the first day of the month after the dependent becomes eligible. If you become eligible before the plan takes effect, coverage begins on the effective date of the plan, provided the enrollment application is on time and in order.

2. Late Enrollment: If you enroll more than 31 days after your eligibility date, you must wait until the next Open Enrollment Period to enroll.

3. Disenrollment: If you voluntarily choose to disenroll a dependent from coverage under this plan during the open enrollment period, you will be eligible to reapply for coverage as set forth in the "Enrollment" provision above, during the next Open Enrollment Period (see OPEN ENROLLMENT PERIOD).

Note: Disenrollment is not allowed for qualified subscribers. Disenrollment of dependents outside of the open enrollment period is only allowed due to a qualifying event.

For late enrollees and disenrollees: You may enroll earlier than the next Open Enrollment Period if you meet any of the conditions listed under SPECIAL ENROLLMENT PERIODS.

Important Note for Newborn and Newly Adopted Children. If the subscriber (or spouse or domestic partner, if the spouse or domestic partner is enrolled) is already covered: (1) any child born to the subscriber, spouse or domestic partner will be covered from the moment of birth; and (2) any child being adopted by the subscriber, spouse or domestic partner will be covered from the date on which either: (a) the adoptive child's birth parent, or other appropriate legal authority, signs a written document granting the subscriber, spouse or domestic partner the right to control the health care of the child (in the absence of a written document, other evidence of the subscriber's, spouse's or domestic partner's right to control the health care of the child may be used); or (b) the subscriber, spouse or domestic partner assumed a legal obligation for full or partial financial responsibility for the child in anticipation of the child's adoption. The written document referred to above includes, but is not limited to, a health facility minor release report, a medical authorization form, or relinquishment form. In both cases, coverage will be in effect for 31 days. For coverage to continue beyond this 31-day period, the subscriber must enroll the child within the 31-day period by submitting a membership change form to SISC III. Any membership change form not filed within the 31-day period must be submitted to SISC III during the Open Enrollment Period generally held during September of each year for an effective date of October 1.,

Open Enrollment

Open Enrollment refers to a period of time, usually the month of September, during which eligible Subscribers and Dependents can apply for or change coverage. Open Enrollment occurs only once per year. Your Employer will notify you when Open Enrollment is available.

Special Enrollment Periods

If a Subscriber or Dependent does not apply for coverage when they were first eligible, they may be able to join the Plan prior to Open Enrollment if they qualify for Special Enrollment. Except as noted otherwise below, the Subscriber or Dependent must request Special Enrollment within 31 days of a qualifying event.

Special Enrollment is available for eligible individuals who:

- Lost eligibility under a prior health plan for reasons other than non-payment of premium or due to fraud or intentional misrepresentation of a material fact.
- Exhausted COBRA benefits or Employer contributions toward coverage were terminated.
- Lost employer contributions towards the cost of the other coverage.
- Are now eligible for coverage due to marriage, birth, adoption, or placement for adoption.

Important Notes about Special Enrollment:

- Members who enroll during Special Enrollment are **not** considered Late Enrollees.
- Individuals must request coverage within 31 days of a qualifying event (i.e., marriage, exhaustion of COBRA, etc.).

Medicaid and Children's Health Insurance Program Special Enrollment

Eligible Subscribers and Dependents may also enroll under two additional circumstances:

- The Subscriber's or Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- The Subscriber or Dependent becomes eligible for a subsidy (state premium assistance program)

The Subscriber or Dependent must request Special Enrollment within 31 days of the above events.

Late Enrollees

If the Subscriber does not enroll themselves and/or their Dependents when first eligible or during a Special Enrollment period, they will not be eligible to enroll until the next Open Enrollment Period.

Members Covered Under the Plan Administrator's Prior Plan

Members who were previously enrolled under another plan offered by the Employer that is being replaced by this Plan are eligible for coverage on the Effective Date of this coverage.

Enrolling Dependent Children

Newborn Children

Newborn children are covered automatically for 31 days from the moment of birth. If additional premium is required for the newborn Dependent, you must notify the Plan of the birth and pay the required premium within 31 days or the newborn's coverage will terminate. If you have Family Coverage, no additional premium is required and coverage automatically continues.

Even if no additional premium is required, you should still submit an application / change form to the Plan Administrator to add the newborn to your Plan, to make sure records are accurate and the Plan is able to cover your claims.

Adopted Children

A child will be considered adopted from the earlier of: (1) the moment of placement in your home; or (2) the date of an entry of an order granting custody of the child to you. The child will continue to be considered adopted unless the child is removed from your home prior to issuance of a legal decree of adoption.

Your Dependent's Effective Date will be the date of the adoption or placement for adoption if you send the Plan the completed application / change form within 31 day of the event. If, however, additional premium is required for the adopted Dependent, your Dependent's Effective Date will be the date of the adoption or placement for adoption, only if you notify the Plan of the adoption and pay any required additional premium within 31 days of the adoption.

Adding a Child due to Award of Legal Custody or Guardianship

If you or your spouse is awarded legal custody or guardianship for a child, an application must be submitted within 31 days of the date legal custody or guardianship is awarded by the court. Coverage will be effective on the date the court granted legal custody or guardianship.

Qualified Medical Child Support Order

If you are required by a qualified medical child support order or court order, as defined by applicable state or federal law, to enroll your child in this Plan, the Claims Administrator will permit the child to enroll at any time without regard to any Open Enrollment limits and will provide the benefits of this Plan in accordance with the applicable requirements of such order. However, a child's coverage will not extend beyond any Dependent Age Limit listed in the "Schedule of Benefits".

Updating Coverage and/or Removing Dependents

You are required to notify the Plan Administrator of any changes that affect your eligibility or the eligibility of your Dependents for this Plan. When any of the following occurs, contact the Plan Administrator and complete the appropriate forms:

- Changes in address;
- Marriage or divorce;
- Death of an enrolled family member (a different type of coverage may be necessary);
- Enrollment in another health plan or in Medicare;
- Eligibility for Medicare;
- Dependent child reaching the Dependent Age Limit (see "Termination and Continuation of Coverage");
- Enrolled Dependent child either becomes totally or permanently disabled or is no longer disabled.
  - Overage disabled children must be claimed as a tax dependent by either you or your spouse/domestic partner. Documentation for the appropriate child type (as noted above) and a copy of the front page of the employee/retiree's most recent federal tax return that includes the child.
  - Licensed physician certification certifying that the child is incapable of self-sustaining employment due to a physical or mental condition and that the disability existed prior to reaching age 26 and has remained continuously.

Failure to notify the Plan Administrator of individuals no longer eligible for services will not obligate the Plan to cover such services, even if premium is received for those individuals. All notifications must be in writing and on approved forms.

Note: Disenrollment is not allowed for qualified Subscribers. Disenrollment of Dependents outside of the Open Enrollment Period is only allowed due to a qualifying event.

Nondiscrimination

No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information, previous medical information, disability, sexual orientation or identity, gender or age.

Statements and Forms

All Members must complete and submit applications, or other forms or statements that the Plan may reasonably request.

Any rights to benefits under this Plan are subject to the condition that all such information is true, correct, and complete. Any material misrepresentation by you may result in termination of coverage as provided in the "Termination and Continuation of Coverage" section. The Plan will not use a statement made by you to void your coverage after that coverage has been in effect for two years. This does not apply, however, to fraudulent misstatements.

Termination and Continuation of Coverage

Termination

Except as otherwise provided, your coverage may terminate in the following situations:

- When the Contract between the Group and us terminates. It will be the Group's responsibility to notify you of the termination of coverage.
- If the Group no longer provides coverage for the class of Members to which you belong.
- If you choose to terminate your coverage.
- If you or your Dependents cease to meet the eligibility requirements of the Plan, subject to any applicable continuation requirements. If you cease to be eligible, the Group and/or you must notify us immediately. The Group and/or you shall be responsible for payment for any services incurred by you after you cease to meet eligibility requirements.
- If you elect coverage under another carrier's health benefit plan, which is offered by the Group as an option instead of this Plan, subject to the consent of the Group. The Group agrees to immediately notify us that you have elected coverage elsewhere.
- If you or your Group performs an act, practice, or omission that constitutes fraud as prohibited by the terms of your Plan, your coverage and the coverage of your Dependents can be cancelled after a 30-day advance notification to the Group.
- If you or your Group make an intentional misrepresentation of material fact, as prohibited by the terms of your Plan, your coverage and the coverage of your Dependents can be cancelled after a 30-day advance notification to the Group.
- When the required Premiums are not paid, we may terminate your coverage and may also terminate the coverage of your Dependents upon first mailing a written Notice of Start of Grace Period to the Group at least thirty (30) days, or if longer, the period required by federal law, prior to that termination.

  The coverage will end as of 12:00 midnight on the thirtieth (30th) day after the date on which the Notice of Cancellation is sent. The Notice of Cancellation shall state that the Agreement shall not be terminated if the Group makes appropriate payment in full within thirty (30) days after we issue the Notice of Cancellation. If payment is not received within thirty (30) days of issuance, the Agreement will be cancelled for non-payment of Premium and we will send a notice to the Group confirming that the Agreement has been cancelled. The Notice of Cancellation shall also state that, if the Agreement is terminated for nonpayment and the Group wishes to apply for reinstatement, the Group will be required to submit a new application for coverage and will be required to submit any Premiums that are owed. Reinstatement is not guaranteed, and the Group's request for reinstatement may be declined.
- If you permit the use of your or any other Member's Plan Identification Card by any other person; use another person's Identification Card; or use an invalid Identification Card to obtain services, your coverage will terminate immediately upon our written notice to the Group. Anyone involved in the misuse of a Plan Identification Card will be liable to and must reimburse us for the amount paid for services received through such misuse.
- If the Subscriber moves outside of the Service Area and the Subscriber's place of employment is not located within the Service Area.

You will be notified in writing of the date your coverage ends by either us or the Group.

Improper cancellation, rescission or non-renewal (Grievance):

If you believe that your coverage has been improperly cancelled, rescinded or not renewed, you may file a grievance of the matter in accordance with the Grievance process outlined in "Grievance and External Review Procedures." You should file your grievance as soon as possible after you receive notice that your coverage will end. You may also send a grievance to the Director of the Department of Managed Health Care. If your coverage is still in effect when you submit a grievance, we will continue to provide coverage to you under the terms of this Plan until a final determination of your grievance has been made, including any review by the Director of the Department of Managed Health Care (this does not apply if your coverage is cancelled for non-payment of subscription charges). If your coverage is maintained in force pending outcome of the grievance, subscription charges must still be paid to us on your behalf.

Continuation of Coverage Under Federal Law (COBRA)

The following applies if you are covered by a Group that is subject to the requirements of the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985, as amended.

COBRA continuation coverage can become available to you when you would otherwise lose coverage under your Group's health Plan. It can also become available to other Members of your family, who are covered under the Group's health Plan, when they would otherwise lose their health coverage. For additional information about your rights and duties under federal law, you should contact the Group.

Qualifying events for Continuation Coverage under Federal Law (COBRA)

COBRA continuation coverage is available when your coverage would otherwise end because of certain "qualifying events." After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse and your Dependent children, other than a Domestic Partner, and a child of a Domestic Partner, could become qualified beneficiaries if you were covered on the day before the qualifying event and your coverage would be lost because of the qualifying event. There are situations when a Domestic Partner or children of a Domestic Partner are considered qualified beneficiaries, but this doesn't apply to every employer. Check with your employer to see if this applies to you. Qualified beneficiaries who elect COBRA must pay for this COBRA continuation coverage.

This benefit entitles each Member of your family, other than a Domestic Partner, or a child of a Domestic Partner, who is enrolled in the Plan to elect continuation independently. Each qualified beneficiary has the right to make independent benefit elections at the time of annual enrollment. Covered Subscribers may elect COBRA continuation coverage on behalf of their spouses, and parents or legal guardians may elect COBRA continuation coverage on behalf of their children. A child born to, or placed for adoption with, a covered Subscriber during the period of continuation coverage is also eligible for election of continuation coverage.

Qualifying Event	Length of Availability of Coverage
For Subscribers: Voluntary or Involuntary Termination (other than gross misconduct) or Loss of Coverage Under an Employer's Health Plan Due to Reduction In Hours Worked	18 months
For Dependents: A Covered Subscriber's Voluntary or Involuntary Termination (other than gross misconduct) or Loss of Coverage Under an Employer's Health Plan Due to Reduction In Hours Worked	18 months
Covered Subscriber's Entitlement to Medicare	36 months
Divorce or Legal Separation	36 months
Death of a Covered Subscriber	36 months
For Dependent Children: Loss of Dependent Child Status	36 months

COBRA coverage will end before the end of the maximum continuation period listed above if you become entitled to Medicare benefits. In that case, a qualified beneficiary – other than the Medicare beneficiary – is entitled to continuation coverage for no more than a total of 36 months. (For example, if you become entitled to Medicare prior to termination of employment or reduction in hours, COBRA continuation coverage for your spouse and children can last up to 36 months after the date of Medicare entitlement.)

If Your Group Offers Retirement Coverage

If you are a retiree under this Plan, filing a proceeding in bankruptcy under Title 11 of the United States Code may be a qualifying event. If a proceeding in bankruptcy is filed with respect to your Group, and that bankruptcy results in the loss of coverage, you will become a qualified beneficiary with respect to the bankruptcy. Your Dependents will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under this Plan. If COBRA coverage becomes available to a retiree and his or her covered Dependents as a result of a bankruptcy filing, the retiree may continue coverage for life and his or her Dependents may also continue coverage for a maximum of up to 36 months following the date of the retiree's death.

Second qualifying event

If your family has another qualifying event (such as a legal separation, divorce, etc.) during the initial 18 months of COBRA continuation coverage, your Dependents can receive up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months from the original qualifying event. Such additional coverage is only available if the second qualifying event would have caused your Dependents to lose coverage under the Plan had the first qualifying event not occurred.

Notification Requirements

The Group will offer COBRA continuation coverage to qualified beneficiaries only after the Group has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the Subscriber, commencement of a proceeding in bankruptcy with respect to the employer, or the Subscriber's becoming entitled to Medicare benefits (under Part A, Part B, or both), the Group will notify the COBRA Administrator (e.g., Human Resources or their external vendor) of the qualifying event.

You Must Give Notice of Some Qualifying Events

For other qualifying events (e.g., divorce or legal separation of the Subscriber and spouse or a Dependent child's losing eligibility for coverage as a Dependent child), you must notify the Group within 60 days after the qualifying event occurs.

Electing COBRA Continuation Coverage

To continue your coverage, you or an eligible Dependent must make an election within 60 days of the date your coverage would otherwise end, or the date the company's benefit Plan Administrator notifies you or your Dependent of this right, whichever is later. You must pay the total Premium appropriate for the type of benefit coverage you choose to continue. If the Premium rate changes for active associates, your monthly Premium will also change. The Premium you must pay cannot be more than 102% of the Premium charged for Employees with similar coverage, and it must be paid to the company's benefit plan administrator within 30 days of the date due, except that the initial Premium payment must be made before 45 days after the initial election for continuation coverage, or your continuation rights will be forfeited.

Disability extension of 18-month period of continuation coverage

For Subscribers who are determined, at the time of the qualifying event, to be disabled under Title II (OASDI) or Title XVI (SSI) of the Social Security Act, and Subscribers who become disabled during the first 60 days of COBRA continuation coverage, coverage may continue from 18 to 29 months. These Subscribers' Dependents are also eligible for the 18- to 29-month disability extension. (This also applies if any covered Dependent is found to be disabled.) This would only apply if the qualified beneficiary gives notice of disability status within 60 days of the disabling determination. In these cases, the employer can charge 150% of Premium for months 19 through 29. This would allow health coverage to be provided in the period between the end of 18 months and the time that Medicare begins coverage for the disabled at 29 months. (If a qualified beneficiary is determined by the Social Security Administration to no longer be disabled, such qualified beneficiary must notify the Plan Administrator of that fact in writing within 30 days after the Social Security Administration's determination.)

Trade Adjustment Act Eligible Individual

If you don't initially elect COBRA coverage and later become eligible for trade adjustment assistance under the U.S. Trade Act of 1974 due to the same event which caused you to be eligible initially for COBRA coverage under this Plan, you will be entitled to another 60-day period in which to elect COBRA coverage. This second 60-day period will commence on the first day of the month on which you become eligible for trade adjustment assistance. COBRA coverage elected during this second election period will be effective on the first day of the election period.

When COBRA Coverage Ends

COBRA benefits are available without proof of insurability and coverage will end on the earliest of the following:

- A covered individual reaches the end of the maximum coverage period;
- A covered individual fails to pay a required Premium on time;
- A covered individual becomes covered under any other group health plan after electing COBRA. If the other group health plan contains any exclusion or limitation on a pre-existing condition that applies to you, you may continue COBRA coverage only until these limitations cease;
- A covered individual becomes entitled to Medicare after electing COBRA; or
- The Group terminates all of its group welfare benefit plans.

Other Coverage Options Besides COBRA Continuation Coverage

Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

If You Have Questions

Questions concerning your Group's health Plan and your COBRA continuation coverage rights should be addressed to the Group. For more information about your rights under COBRA and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.)

Continuation of Coverage Under State Law

Continuation of Coverage Cal-COBRA

You have the option to further continue coverage under Cal-COBRA for medical benefits only if your federal COBRA ended following:

1. 18 months after the qualifying event, if the qualifying event was termination of employment or reduction in work hours; or

2. 29 months after the qualifying event, if you qualified for the extension of COBRA continuation during total disability.

All federal COBRA eligibility must be exhausted before you are eligible to further continue coverage under Cal-COBRA. You are not eligible to further continue coverage under Cal-COBRA if you (a) are entitled to Medicare; (b) have other coverage or become covered under another group plan; or (c) are eligible for or covered under federal COBRA. Coverage under Cal-COBRA is available for medical benefits only.

TERMS OF CAL-COBRA CONTINUATION

Notice. Within 180 days prior to the date federal COBRA ends, we will notify you of your right to further elect coverage under Cal-COBRA. If you choose to elect Cal-COBRA coverage, you must notify us within sixty (60) days of the later of: (i) the date your coverage under federal COBRA ends, or (ii) the date you were sent notice of your Cal-COBRA continuation right. If you don't give us written notification within this time period you will not be able to continue your coverage. The Cal-COBRA continuation coverage may be chosen for all Members within a covered family, or only for selected Members.

Please examine your options carefully before declining this coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in higher cost or you could be denied coverage entirely.

The initial Premium must be delivered to us within forty-five (45) days after you elect Cal-COBRA continuation coverage.

An election of continuation coverage must be in writing and delivered to us by first class mail or other reliable means of delivery, including personal delivery, express mail or private courier company. The initial Premium must be delivered to us, and must be in an amount sufficient to pay all Premium due. **A failure to properly give notice of an election of continuation coverage or a failure to properly and timely pay Premium due will disqualify you from continuing coverage under this Part.**

If you have Cal-COBRA continuation coverage under a prior plan that terminates because the agreement between the employer and the prior plan terminates, you may elect continuation coverage under the Agreement, which will continue for the balance of the period under which you would have remained covered under the prior plan. To do so, you must make the election and pay all Premium on the terms described above and below. Such continuation coverage will terminate if you fail to comply with the requirements for enrolling in and paying Premiums to us within thirty (30) days of receiving notice of the termination of the prior plan.

Additional Dependents. A dependent acquired during the Cal-COBRA continuation period is eligible to be enrolled as a Dependent and has separate rights as a Qualified Beneficiary. The standard enrollment provisions of the Agreement apply to enrollees during the Cal-COBRA continuation period. A Dependent acquired and enrolled after the effective date of continuation coverage resulting from the original Qualifying Event is not eligible for a separate continuation if a subsequent Qualifying Event results in the person's loss of coverage.

Cost of Coverage. You must pay us the Premium required under the Agreement for your Cal-COBRA continuation coverage, and the notice of your Cal-COBRA continuation right, which you will receive from us, will include the amount of the required Premium payment. This Premium, also sometimes called the "subscription charge," must be remitted to us by the first of each month during the Cal-COBRA continuation period and shall be 110% of the rate applicable to a Member for whom coverage under federal COBRA ended after 18 months, or 150% of the rate applicable to a Member for whom coverage under federal COBRA ended 29 months. The first payment of the Premium is due within forty-five (45) days after you elect Cal-COBRA. **We must receive subsequent payments of the Premium from you by the first of each month in order to maintain the coverage in force.**

If Premium charges are not received when due, your coverage will be cancelled. We will cancel your coverage only upon sending you written notice of cancellation at least 30 days prior to cancelling your coverage (or any longer period of time required by applicable federal law, rule, or regulation). If you make payment in full within this time period, your coverage will not be cancelled. If you do not make the required payment in full within this time period, your coverage will be cancelled as of 12:00 midnight on the thirtieth day after the date on which the notice of cancellation is sent (or any longer period of time required by applicable federal law, rule, or regulation) and will not be reinstated. Any payment we receive after this time period runs out will be refunded to you within 20 business days. Note: You are still responsible for any unpaid subscription charges that you owe to us, including subscription charges that apply during any grace period.

When Cal-COBRA Continuation Coverage Begins. When Cal-COBRA continuation coverage is elected and the Premium is paid, coverage is reinstated back to the date federal COBRA ended, so that no break in coverage occurs.

For Dependents properly enrolled during the Cal-COBRA continuation, coverage begins according to the enrollment provisions of the Agreement.

When Cal-COBRA Continuation Ends.

The continuation will end on the earliest of:

1. The end of thirty-six (36) months from the Qualifying Event under federal COBRA;*
2. The date the Agreement terminates;
3. The end of the period for which Premium are last paid;
4. The date the Member becomes covered under any other group health plan;
5. In the case of (a) a Subscriber who is eligible for continuation coverage because of the termination of employment or reduction in hours of the Subscriber's employment (except for gross misconduct) and determined, under Title II or Title XVI of the Social Security Act, to be disabled at any time during the first sixty (60) days of continuation coverage and (b) his or her spouse or Dependent child who has elected Cal-COBRA coverage, the end of thirty-six (36) months from the Qualifying Event. If the Subscriber is no longer disabled under Title II or Title XVI, benefits shall terminate on the later of thirty-six (36) months from the Qualifying Event or the month that begins more than thirty-one (31) days after the date of the final determination under Title II or Title XVI that the Subscriber is no longer disabled;
6. The date the Member becomes entitled to Medicare;
7. The date the Member becomes covered under a federal COBRA continuation;
8. The date the employer, or any successor employer or purchaser of the employer, ceases to provide any group benefit plan to his or her employees; or
9. The date the Member moves out of the Plan's Service Area or commits fraud or deception in the use of services.

*For a Member whose Cal-COBRA continuation coverage began under a prior plan, this term will be dated from the time of the Qualifying Event under that prior plan.

If your Cal-COBRA continuation coverage under this Plan ends because the Group replaces our coverage with coverage from another company, the Group must notify you at least thirty (30) days in advance and let you know what you have to do to enroll for coverage under the new plan for the balance of your Cal-COBRA continuation period.

Continuation of Coverage Due To Military Service

Under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), the Subscriber or his / her Dependents may have a right to continue health care coverage under the Plan if the Subscriber must take a leave of absence from work due to military leave.

Employers must give a cumulative total of five years and in certain instances more than five years, of military leave.

"Military service" means performance of duty on a voluntary or involuntary basis and includes active duty, active duty for training, initial active duty for training, inactive duty training, and full-time National Guard duty.

During a military leave covered by USERRA, the law requires employers to continue to give coverage under this Plan to its Members. The coverage provided must be identical to the coverage provided to similarly situated, active employees and Dependents. This means that if the coverage for similarly situated, active employees and Dependents is modified, coverage for you (the individual on military leave) will be modified.

You may elect to continue to cover yourself and your eligible Dependents by notifying your employer in advance and submitting payment of any required contribution for health coverage. This may include the amount the employer normally pays on your behalf. If your military service is for a period of time less than 31 days, you may not be required to pay more than the active Member contribution, if any, for continuation of health coverage. For military leaves of 31 days or more, you may be required to pay up to 102% of the full cost of coverage, i.e., the employee and employer share.

The amount of time you continue coverage due to USERRA will reduce the amount of time you will be eligible to continue coverage under COBRA.

Maximum Period of Coverage During a Military Leave

Continued coverage under USERRA will end on the earlier of the following events:

1. The date you fail to return to work with the Group following completion of your military leave. Subscribers must return to work within:
    a. The first full business day after completing military service, for leaves of 30 days or less. A reasonable amount of travel time will be allowed for returning from such military service,
    b. 14 days after completing military service for leaves of 31 to 180 days,
    c. 90 days after completing military service for leaves of more than 180 days; or
2. 24 months from the date your leave began.

Reinstatement of Coverage Following a Military Leave

Regardless of whether you continue coverage during your military leave, if you return to work your health coverage and that of your eligible Dependents will be reinstated under this Plan if you return within:

1. The first full business day of completing your military service, for leaves of 30 days or less. A reasonable amount of travel time will be allowed for returning from such military service;
2. 14 days of completing your military service for leaves of 31 to 180 days; or
3. 90 days of completing your military service for leaves of more than 180 days.

If, due to an illness or injury caused or aggravated by your military service, you cannot return to work within the time frames stated above, you may take up to:

1. Two years; or
2. As soon as reasonably possible if, for reasons beyond your control you cannot return within two years because you are recovering from such illness or injury.

If your coverage under the Plan is reinstated, all terms and conditions of the Plan will apply to the extent that they would have applied if you had not taken military leave and your coverage had been continuous. Any waiting / probationary periods will not apply.

Please note that, regardless of the continuation and/or reinstatement provisions listed above, this Plan will not cover services for any illness or injury caused or aggravated by your military service.

Continuation for Disabled District Employees

If you become disabled as a result of a violent act directed at you while performing duties in the scope of employment as a district employee, your benefits under this Plan may be continued.

Eligibility. You must be a member of the State Teachers' Retirement System or a classified school employee member of the Public Employees' Retirement System and be covered under this Plan at the time of the violent act causing the disability.

Cost of Coverage. The Group may require that you pay the entire cost of your continuation coverage. This cost (called the "subscription charge") must be remitted to the Group each month during your continuation. We must receive payment of the subscription charge each month from the Group in order to maintain the coverage in force. We will accept subscription charges only from the Group. Payment made by you directly to us will not continue coverage.

When Continuation Coverage Begins. When continuation coverage is elected and the subscription charge is paid, coverage is reinstated back to the date you became disabled, so that no break in coverage occurs, but only if you elect to continue coverage within sixty (60) days after your coverage terminates. For family members acquired and properly enrolled during the continuation, coverage begins according to the enrollment provisions of this Plan.

When Continuation Coverage Ends. This continuation coverage ends for the Subscriber on the earliest of:

1. The date this Plan terminates;
2. The end of the period for which subscription charges are last paid; or
3. The date the maximum benefits of this Plan are paid.

For family members, this continuation coverage ends according to the provisions of the section entitled “Termination and Continuation of Coverage”.

Coverage for Surviving Spouses of Certificated Employees

If the Subscriber dies while covered under this Plan as a certificated employee or a certificated retired employee, coverage continues for an enrolled spouse until one of the following occurs:

1. Subscription charges are not paid to us on the Member’s behalf, or
2. The Group cancels coverage for the class of Subscribers to which the Member belongs, or
3. The Contract between the Group and us terminates.

Exception: If the employee dies while covered under this Plan as a classified employee or a classified retired employee, the enrolled spouse may be eligible to continue coverage under this benefit. Please consult your participating employer for details regarding their agreement.

Family and Medical Leave Act of 1993

A Subscriber who takes a leave of absence under the Family and Medical Leave Act of 1993 (the Act) will still be eligible for this Plan during their leave. We will not consider the Subscriber and his or her Dependents ineligible because the Subscriber is not at work.

If the Subscriber ends their coverage during the leave, the Subscriber and any Dependents who were covered immediately before the leave may be added back to the Plan when the Subscriber returns to work without medical underwriting. To be added back to the Plan, the Group may have to give us evidence that the Family and Medical Leave Act applied to the Subscriber. We may require a copy of the health care Provider statement allowed by the Act.

Temporary Medical Leave of Absence

Enrolled Subscribers are eligible to continue Group coverage for themselves and their enrolled Dependents for a maximum period as elected by the employer, but in no event more than six (6) months, provided that the Subscriber continues an employer approved medical leave of absence and the employer continues to pay the required monthly Premium.

Benefits After Termination Of Coverage

Any benefits available under this section are subject to all the other terms and conditions of this Plan.

If you are Totally Disabled on the Group's termination date, and you are not eligible for regular coverage under another similar health plan, benefits will continue for treatment of the disabling condition(s). Benefits will continue until the earliest of:

1. The date you cease to be Totally Disabled;
2. The end of a period of 12 months in a row that follows the Group termination date;
3. The date you become eligible for regular coverage under another health plan; or
4. The payment of any benefit maximum.

Benefits will be limited to coverage for treatment of the condition or conditions causing Total Disability.

General Provisions

Assignment

The Group cannot legally transfer this Booklet, without obtaining written permission from us. Members cannot legally transfer the coverage. Benefits available under this Booklet are not assignable by any Member without obtaining written permission from us, unless in a way described in this Booklet.

Availability of Care

If there is an epidemic or public disaster we will use our best efforts to ensure health care services are provided to Members. In the unfortunate event of an epidemic or public disaster, In-Network Medical Groups and Hospitals will do their best to provide the services you may need. If you or your eligible Dependents cannot obtain care from one of these In-Network Providers, you may need to seek services from any available Emergency Facility. You will have the same amount of time to submit any claims as stated in the "Notice of Claim & Proof of Loss" section.

Care Coordination

We pay In-Network Providers in various ways to provide Covered Services to you. For example, sometimes we may pay In-Network Providers a separate amount for each Covered Service they provide. We may also pay them one amount for all Covered Services related to treatment of a medical condition. Other times, we may pay a periodic, fixed pre-determined amount to cover the costs of Covered Services. In addition, we may pay In-Network Providers financial incentives or other amounts to help improve quality of care and/or promote the delivery of health care services in a cost-efficient manner, or compensate In-Network Providers for coordination of Member care. In some instances, In-Network Providers may be required to make payment to us because they did not meet certain standards. You do not share in any payments made by In-Network Providers to us under these programs.

Clerical Error

A clerical error will never disturb or affect your coverage, as long as your coverage is valid under the rules of the Plan. This rule applies to any clerical error, regardless of whether it was the fault of the Group or us.

Confidentiality and Release of Information

Applicable state and federal law requires us to undertake efforts to safeguard your medical information.

For informational purposes only, please be advised that a statement describing our policies and procedures regarding the protection, use and disclosure of your medical information is available on our website and can be furnished to you upon request by contacting our Member Services department.

Obligations that arise under state and federal law and policies and procedures relating to privacy that are referenced but not included in this Booklet are not part of the contract between the parties and do not give rise to contractual obligations.

Conformity with Law

Any term of the Plan which is in conflict with the laws of the state in which the Agreement is issued, or with federal law, will hereby be automatically amended to conform with the minimum requirements of such laws.

Contract with Anthem

The Group, on behalf of itself and its participants, hereby expressly acknowledges its understanding that this Plan constitutes a Contract solely between the Group and us, Blue Cross of California dba Anthem Blue Cross (Anthem), and that we are an independent corporation licensed to use the Blue Cross name and mark in the state of California. The Blue Cross Blue Shield marks are registered by the Blue Cross and Blue Shield Association, an association of independently licensed Blue Cross and Blue Shield plans, with the U.S. Patent and Trademark Office in Washington, D.C. and in other countries. Further, we are not contracting as the agent of the Blue Cross and Blue Shield Association or any other Blue Cross and/or Blue Shield plan or licensee. The Group, on behalf of itself and its participants, further acknowledges and agrees that it has not entered into this Contract based upon representations by any person other than Anthem and that no person, entity, or organization other than Anthem shall be held accountable or liable to the Group for any of Anthem's obligations to the Group created under the Contract. This paragraph shall not create any additional obligations whatsoever on our part other than those obligations created under other terms of this agreement.

Entire Contract

This Booklet, the Group Contract, the Group application, any riders, endorsements or attachments, and the individual applications of the Subscriber and Dependents constitute the entire Contract between the Group and us and as of the Effective Date, supersede all other agreements. Any and all statements made to us by the Group and any and all statements made to the Group by us are representations and not warranties. No such statement, except fraudulent misstatement, shall be used in defense to a claim under this Booklet.

Form or Content of Booklet

No agent or employee of ours is authorized to change the form or content of this Booklet. Changes can only be made through a written authorization, signed by an officer of Anthem.

Governing Law

Anthem is subject to the requirements of the Knox-Keene Health Care Service Act of 1975, as amended, as set forth at Chapter 2.2 of Division 2 of the California Health and Safety Code and at Subchapter 5.5 of Chapter 3 of Title 10 of the California Code of Regulations, and any provision required to be stated herein by either of the above shall bind Anthem whether or not provided in this Booklet. This Booklet shall be construed and enforced in accordance with the laws of the state of California.

Government Programs

The benefits under this Plan shall not duplicate any benefits that you are entitled to, or eligible for, under any other governmental program. This does not apply if any particular laws require us to be the primary payer. If we have duplicated such benefits, all money paid by such programs to you for services you have or are receiving, shall be returned by or on your behalf to us.

Independent Contractors

The relationship between Anthem and the Medical Group and between Anthem and the Hospitals is that of an independent contractor; Physicians within the Medical Group, Hospitals, Skilled Nursing Facilities and other community agencies are not agents or employees of Anthem nor is Anthem, or any employee of Anthem, an employee or agent of any Hospital or Medical Group.

Legal Actions

No attempt to recover on the Plan through legal or equity action may be made until at least 60 days after the written proof of loss has been furnished as required by this Plan. No such action may be started later than three years from the time written proof of loss is required to be furnished.

Medical Policy and Technology Assessment

Anthem reviews and evaluates new technology according to its technology evaluation criteria developed by its medical directors. Technology assessment criteria are used to determine the Experimental / Investigational status or Medical Necessity of new technology. Guidance and external validation of Anthem's medical policy is provided by the Medical Policy and Technology Assessment Committee (MPTAC) which consists of approximately 20 Doctors from various medical specialties including Anthem's medical directors, Doctors in academic medicine and Doctors in private practice.

Conclusions made are incorporated into medical policy used to establish decision protocols for particular diseases or treatments and applied to Medical Necessity criteria used to determine whether a procedure, service, supply or equipment is covered.

Medicare

Any benefits covered under both this Plan and Medicare will be covered according to Medicare Secondary Payer legislation, regulations, and Centers for Medicare & Medicaid Services guidelines, subject to federal court decisions. Federal law controls whenever there is a conflict among state law, Booklet terms, and federal law.

Except when federal law requires us to be the primary payer, the benefits under this Plan for Members age 65 and older, or Members otherwise eligible for Medicare, do not duplicate any benefit for which Members are entitled under Medicare, including Part B. Where Medicare is the responsible payer, all sums payable by Medicare for services provided to you shall be reimbursed by or on your behalf to us, to the extent we have made payment for such services. If you do not enroll in Medicare Part B when you are eligible, you may have large out-of-pocket costs. Please refer to Medicare.gov for more details on when you should enroll, and when you are allowed to delay enrollment without penalties.

Member-Provider Relationship

You may refuse to accept procedures or treatments by your Medical Group's Primary Care Physicians. Your Physician may regard this action as incompatible with continuing the Physician/patient relationship and the providing of proper medical care. Physicians use their best efforts to render all necessary and appropriate professional services in a manner compatible with your wishes, and consistent with the Physician's judgment of proper medical practice. If you are unable to establish or continue the Physician/patient relationship with a Physician, you or the Physician may request a change in Physician.

Member Rights and Responsibilities

The delivery of quality healthcare requires cooperation between patients, their Providers and their healthcare benefit plans. One of the first steps is for patients and Providers to understand Member rights and responsibilities. Therefore, Anthem has adopted a Members' Rights and Responsibilities statement.

It can be found on our website FAQs. To access, go to anthem.com/ca and select "Member Support". Under the Support column, select FAQs and your state, then the "Laws and Rights That Protect You" category. Then click on the "What are my rights as a member?" question. Members or Providers who do not have access to the website can request copies by contacting Anthem, or by calling the number on the back of the Member ID Card.

Modifications

This Booklet allows the Group to make Plan coverage available to eligible Members. However, this Booklet shall be subject to amendment, modification, and termination in accordance with any of its terms, the Agreement, or by mutual agreement between the Group and us without the permission or involvement of any Member. Changes will not be effective until the date specified in the written notice we give to the Group about the change. Written notice will be given at least 60 days before the change becomes effective. By electing medical and Hospital coverage under the Plan or accepting Plan benefits, all Members who are legally capable of entering into a contract, and the legal representatives of all Members that are incapable of entering into a contract, agree to all terms and conditions in this Booklet.

Not Liable for Provider Acts or Omissions

We are not responsible for the actual care you receive from any person. This Booklet does not give anyone any claim, right, or cause of action against Anthem based on the actions of a Provider of health care, services, or supplies.

Payment Innovation Programs

We pay In-Network Providers through various types of contractual arrangements. Some of these arrangements – Payment Innovation Programs (Program(s)) – may include financial incentives to help improve quality of care and promote the delivery of health care services in a cost-efficient manner.

These Programs may vary in methodology and subject area of focus and may be modified by us from time to time, but they will be generally designed to tie a certain portion of an In-Network Provider's total compensation to pre-defined quality, cost, efficiency or service standards or metrics. In some instances, In-Network Providers may be required to make payment to us under the Program as a consequence of failing to meet these pre-defined standards.

The Programs are not intended to affect your access to health care. The Program payments are not made as payment for specific Covered Services provided to you, but instead, are based on the In-Network Provider's achievement of these pre-defined standards. You are not responsible for any Copayment or Coinsurance amounts related to payments made by us or to us under the Program(s), and you do not share in any payments made by Network Providers to us under the Program(s).

Plan Administrator – COBRA

In no event will we be plan administrator for the purpose of compliance with the Consolidated Omnibus Budget Reconciliation Act (COBRA). The term "plan administrator" refers either to the Group or to the

person or entity other than us, engaged by the Group to perform or assist in performing administrative tasks in connection with the Group's health plan. The Group is responsible for satisfaction of notice, disclosure and other obligations of administrators. In providing notices and otherwise performing under the "Termination and Continuation of Coverage" section, the Group is fulfilling statutory obligations imposed on it by federal law and, where applicable, acting as your agents.

Policies, Procedures and Pilot Programs

We are able to introduce new policies, procedures, rules and interpretations, as long as they are reasonable. Such changes are introduced to make the Plan more orderly and efficient. Members must follow and accept any new policies, procedures, rules, and interpretations.

Under the terms of the Agreement, we have the authority to introduce or terminate from time to time, pilot or test programs for disease management, care management, case management, clinical quality or wellness initiatives that may result in the payment of benefits not otherwise specified in this Booklet. We reserve the right to discontinue a pilot or test program at any time.

Program Incentives

We may offer incentives from time to time, in order to introduce you to covered programs and services available under this Plan. We may also offer the ability for you to participate in certain voluntary health or condition-focused digital applications or use other technology based interactive tool, or receive educational information in order to help you stay engaged and motivated, manage your health, and assist in your overall health and well-being. The purpose of these programs and incentives include, but are not limited to, making you aware of cost effective benefit options or services, helping you achieve your best health, and encouraging you to update member-related information. These incentives may be offered in various forms such as retailer coupons, gift cards, health related merchandise, and discounts on fees or Member Cost Shares. Acceptance of these incentives is voluntary as long as Anthem offers the incentives program. Motivational rewards, awards or points for achieving certain milestones may be a feature of the program. We may discontinue a program or an incentive for a particular covered program or service at any time. If you have any questions about whether receipt of an incentive or retailer coupon results in taxable income to you, we recommend that you consult your tax advisor.

Protection of Coverage

We do not have the right to cancel the coverage of any Member under the Agreement while:

- The Agreement is still in effect, and
- The Member is still eligible, and
- The Member's Premiums are paid according to the terms of the Agreement.

Note: These are subject to the conditions listed in the "Termination and Continuation of Coverage" section.

Provider Reimbursement

In-Network Medical Groups are generally paid a capitation fee, a set and agreed to dollar amount per Member each month, for medical services. In-Network Medical Groups may also receive additional reimbursement for certain types of specialty care or for overall efficiency. Hospitals and other health care facilities are paid negotiated fixed fees or on the basis of a negotiated discount from their standard fee-for-service rates.

If a you receive services from an In-Network Facility in California, at which or as a result of which, you receive non-Emergency Covered Services provided by an Out of-Network Provider, you will pay the Out-of-Network Provider no more than the same Cost Sharing that you would pay for the same Covered Services received from an In-Network Provider. You will not have to pay the Out-of-Network Provider more than the In-Network Cost Sharing for such non-Emergency Covered Services. Please see "Member Cost Share" in the "Claims Payment" section for more information.

Public Policy Participation

We have established a public policy committee (that we call our Consumer Relations Committee) to advise our Board of Directors. This Committee advises the Board about how to assure the comfort, dignity and convenience of the people we cover. The Committee consists of Members covered by our health plan, In-Network Providers and a member of our Board of Directors. The Committee may review our financial information, and information about the nature, volume and resolution of the complaints we receive. The Consumer Relations Committee reports directly to our Board.

Receipt of Information

We are entitled to receive from any Provider of service information about you which is necessary to administer claims on your behalf. By submitting an application for coverage, you have authorized every Provider who has furnished or is furnishing care to disclose all facts, opinion or other information pertaining to your care, treatment, and physical conditions, upon our request. You agree to assist in obtaining this information if needed. Failure to assist us in obtaining the necessary information when requested may result in the delay or rejection of your claims until the necessary information is received.

A STATEMENT DESCRIBING OUR POLICIES AND PROCEDURES REGARDING THE CONFIDENTIALITY OF MEDICAL RECORDS IS AVAILABLE AND WILL BE FURNISHED TO YOU UPON REQUEST. PLEASE CONTACT OUR MEMBER SERVICES DEPARTMENT AT THE TELEPHONE NUMBER ON THE BACK OF YOUR IDENTIFICATION CARD TO OBTAIN A COPY.

Relationship of Parties (Group-Member-Anthem)

The Group is responsible for passing information to you. For example, if we give notice to the Group, it is the Group's responsibility to pass that information to you. The Group is also responsible for passing eligibility data to us in a timely manner. If the Group does not give us timely enrollment and termination information, we are not responsible for the payment of Covered Services for Members.

Relationship of Parties (Anthem and In-Network Providers)

The relationship between Anthem and In-Network Providers is an independent contractor relationship. In-Network Providers are not agents or employees of ours, nor is Anthem, or any employee of Anthem, an employee or agent of In-Network Providers.

Your health care Provider is solely responsible for all decisions regarding your care and treatment, regardless of whether such care and treatment is a Covered Service under this Plan. We shall not be responsible for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries suffered by you while receiving care from any In-Network Provider or in any In-Network Provider's Facilities.

Your In-Network Provider's agreement for providing Covered Services may include financial incentives or risk sharing relationships related to the provision of services or Referrals to other Providers, including In-

Network Providers, Out-of-Network Providers, and disease management programs. If you have questions regarding such incentives or risk sharing relationships, please contact your Provider or us.

Responsibility to Pay Providers

In accordance with Anthem's In-Network Provider agreements, Members will not be required to pay any In-Network Provider for amounts owed to that Provider by us (not including Copayments, Deductibles and services or supplies that are not a benefit of this Booklet), even in the unlikely event that Anthem fails to pay the Provider. Members are liable, however, to pay Out-of-Network Providers for any amounts not paid to those Providers by Anthem. If you receive services at In-Network Facility in California, at which or as a result of which, you receive non-Emergency Covered Services provided by an Out of-Network Provider, you will pay the Out-of-Network Provider no more than the same Cost Sharing that you would pay for the same Covered Services received from an In-Network Provider. You will not have to pay the Out-of-Network Provider more than the In-Network Cost Sharing for such non-Emergency Covered Services. Please see "Member Cost Share" in the "Claims Payment" section for more information. Note: for Emergency Care rendered within California by an Out-of-Network Provider (State Surprise Billing Claims), you will not be responsible for any amount in excess of the Reasonable and Customary Value. However, you are responsible for any charges in excess of the Reasonable and Customary Value that may be billed by certain Out-of-Network ambulance Providers (see "Schedule of Benefits").

Right of Recovery and Adjustment

Whenever payment has been made in error, we will have the right to recover such payment from you or, if applicable, the Provider or otherwise make appropriate adjustment to claims. In most instances such recovery or adjustment activity shall be limited to the calendar year in which the error is discovered.

We have oversight responsibility for compliance with Provider and vendor contracts. We may enter into a settlement or compromise regarding enforcement of these contracts and may retain any recoveries made from a Provider or vendor resulting from these audits if the return of the overpayment is not feasible. Additionally, we have established recovery and adjustment policies to determine which recoveries and adjustments are to be pursued, when to incur costs and expenses and settle or compromise recovery and adjustment amounts. We will not pursue recoveries for overpayments or adjustments for underpayments if the cost of the activity exceeds the overpayment or underpayment amount. Terms of Coverage

- In order for you to be entitled to benefits under this Booklet, both the Agreement (Group) and your coverage under the Agreement must be in effect on the date the expense giving rise to a claim for benefits is incurred.

- The benefits to which you may be entitled will depend on the terms of coverage in effect on the date the expense giving rise to a claim for benefits is incurred. An expense is incurred on the date you receive the service or supply for which a charge is made.

- The Agreement and this Booklet are subject to amendment, modification or termination according to the provisions of the Agreement without your consent or concurrence. Your entitlement to any increase in benefits as a result of any amendment or modification of the Agreement or this Booklet is subject to the provisions found under the Part entitled “Eligibility and Enrollment-Adding Members.”

Under the Agreement, the employer must pay us the subscription charges, sometimes called Premiums, for your coverage. For information regarding the amount of the Premium or any sums to be withheld from your salary or to be paid by you to your employer, please contact your employer.

Unauthorized Use of Identification Card

If you permit your Identification Card to be used by someone else or if you use the card before coverage is in effect or after coverage has ended, you will be liable for payment of any expenses incurred resulting from the unauthorized use. Fraudulent misuse could also result in termination of the coverage.

Under other clinical quality programs, you may receive a home test kit that allows you to test for immediate results or collect the specimen for certain covered laboratory tests at home and mail it to the laboratory for processing. You may also be offered a home visit appointment to collect such specimens and complete biometric screenings. You may need to pay any Cost Shares that normally apply to such covered laboratory tests (e.g., those applicable to the laboratory processing fee) but will not need to pay for the home test kit or the home visit. (If you have any questions about whether receipt of a gift card or retailer coupon results in taxable income to you, we recommend that you consult your tax advisor.)

Voluntary Wellness Incentive Programs

We may offer health or fitness related program options for purchase by your Group to help you achieve your best health. These programs are not Covered Services under your Plan, but are separate components, which are not guaranteed under this Plan and could be discontinued at any time.
