### **Additional Help for Medicare called “Extra Help”**

Programs are available to help people with low or limited income and resources pay for prescriptions. If you qualify, your Medicare prescription plan costs for your drug costs at the pharmacy and the amount of your premium (there are four different premium levels and does not include any Part B premiums) will be less. Once you are enrolled in Navitus MedicareRx, Medicare will tell us how much assistance you will be receiving, and we will send you information on the amount you will pay for your prescriptions.

If you think you may qualify for Medicare's “Extra Help” program, call Social Security 1-800-772-1213, between 8 am and 7 pm, Monday through Friday to apply for the program. TTY/TDD users should call 1-800-325-0778. You may also be able to apply at your State Medical Assistance or Medicaid Office. If you qualify for extra help, we have included a letter in your packet, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider. For more information on how to get help with drug plan costs, see Chapter 2, section 7 of your Evidence of Coverage.

### **Coverage Determination**

If your physician prescribes a drug that is not on our drug list, is not a preferred drug, or is subject to additional utilization rules (see below), you may ask us to make a coverage exception. In addition, if Navitus MedicareRx ever denies coverage for your prescriptions, we will explain our decision to you. You always have the right to appeal our decision or ask us to review a claim that was denied.

For certain drugs, you or your prescriber need to get approval from the plan before we will agree to cover

the drug for you. This is called “**prior authorization**”. Sometimes the requirement for getting approval in advance helps guide appropriate use of certain drugs. If you do not get this approval, your drug might not be covered by the plan.

A requirement to try a different drug first is called “**step therapy**”. Trying a different drug first, encourages you to try less costly but usually just as effective drugs before the plan covers another drug. For example, if Drug A and Drug B treat the same medical condition, the plan may require you to try Drug A first. If Drug A does not work for you, the plan may then cover Drug B.

For certain drugs, you may be limited in the amount of the drug you can have, by limiting the quantity of a drug you can get each time you fill your prescription. For example, if it is normally considered safe to take only one pill per day for a certain drug, we may limit coverage for your prescription to no more than one pill per day. A requirement that limits the quantity of a drug you can get filled, is called “**quantity limits**”.

### **Creditable Drug Coverage**

Creditable drug coverage is as good as Medicare’s standard prescription drug coverage. Creditable coverage means the coverage is expected to pay, on average, at least as much as Medicare’s standard prescription drug coverage. A late enrollment penalty is imposed on individuals who do not maintain creditable coverage for any period of 63 days or longer after being first eligible for the Medicare Part D benefit.

### **Income Related Monthly Adjustment Amount (IRMAA)**

If your modified adjusted gross income (MAGI) as reported on your IRS tax return from 2 years ago was above a certain amount, you will pay an extra amount in addition to your monthly plan premium. For more information on the extra amount you may have to pay based on your income, visit <https://www.medicare.gov/part-d/costs/premiums/drug-plan-premiums.html>. Less than 5% of people with Medicare are affected, so most people will not pay a higher premium. For more information, see Chapter 1, Section 4 of the Evidence of Coverage.

### **Network Pharmacies**

The first step to filling your prescription is deciding on a participating network pharmacy. We have network pharmacies across the country where you can obtain your prescriptions as a member of our plan. There is a pharmacy search tool and a complete list of network pharmacies on the Member Portal. Go to [www.Medicarerx.navitus.com](http://www.Medicarerx.navitus.com) (click on Members, then Login). To access the pharmacy search tool, click on *Pharmacy Search* on the top navigation bar. You are able to ask about network pharmacies or request a pharmacy directory to be mailed to you by calling Navitus MedicareRx Customer Care, the number is listed on the back cover.

In the event of an emergency where you are not able to utilize a network pharmacy, an out-of-network pharmacy may be able to fill your prescription. Your plan will allow up to a 10- day supply of medication at an out-of-network pharmacy.

### **Recommended Mail Order Pharmacy**

Our mail order service offers an easy way for you to get up to a 90-day supply of your long-term or maintenance medications. You can use any contracted network mail order pharmacy you like, currently the recommended mail order pharmacy is Costco Mail Order Pharmacy. You can reach Costco Mail Order Pharmacy by calling 1-800-607-6861, or by going to their website, [pharmacy.costco.com](http://pharmacy.costco.com).

Using the recommended mail order pharmacy allows you to have your medications delivered to your home and in some cases at a lower rate than if you purchased at a retail pharmacy.

Note: Costco Mail Order Pharmacy use does not require a Costco Warehouse membership.

### **Recommended Specialty Pharmacy**

You can use any contracted specialty pharmacy you like, however Navitus recommends Lumicera Specialty Pharmacy to provide the best home-delivery service and rates on specialty drugs. You can contact Lumicera's Customer Care at 1-855-847-3553 (TTY/TDD 711). There is a pharmacy search tool and a complete list of network pharmacies on the Member Portal. Go to [www.Medicarerx.navitus.com](http://www.Medicarerx.navitus.com) and click on Members, then Login, to access these pharmacy tools.

### **Refilling Prescriptions at a New Pharmacy**

If you are looking to switch to a new pharmacy, automatic prescription refill transfers do not happen. Please give your Navitus ID card to your *new* pharmacy and let them know at which pharmacy the prescription refills are located, and the medication names/strengths. Your *new* pharmacy can work with the previous pharmacy to see if these refills can be transferred. Some prescriptions may not be allowed to transfer, and in that case, your prescriber will need to write a new prescription.

### **Supplemental Coverage**

Supplemental Coverage, also known as Wrap coverage, is provided as part of your prescription benefit. This supplemental coverage may pay for prescription drugs even when Medicare does not cover them. However, you will still be responsible for paying your copayments or coinsurance.

## **General Information**

### **What will I pay for Navitus MedicareRx premiums?**

Your coverage is provided through a contract with your current employer or former employer. Please contact the SISC for information about your 2024 plan premium.

### **Where is Navitus MedicareRx available?**

The service area for Navitus MedicareRx includes all 50 states and Puerto Rico. The service area excludes most U.S. Territories, such as the U.S. Virgin Islands, Guam, American Samoa, and the Northern Mariana Islands. You must live in the service area to join Navitus MedicareRx. If you reside outside the service area you are not eligible to be enrolled in Navitus MedicareRx.

If you plan to move out of the service area, please contact your benefits department. You will need to opt out of the Navitus MedicareRx plan and enroll in another Medicare Part D plan available in your new service area.

It is also important that you call Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5, of your Evidence of Coverage.

### **Who is eligible to join?**

You, your spouse, and dependents are eligible to join if you qualify for your plan's Medicare retiree coverage through Navitus MedicareRx; you are enrolled in Medicare Parts A and B; and you live in the service area. Your premium for Medicare Parts A and B must be paid in order to keep your Medicare Parts A and B coverage and to remain a member of this plan.

### **How do I know which medications the Navitus MedicareRx Drug List covers?**

The Navitus MedicareRx Drug List is a list of drugs selected to meet patient needs. Navitus MedicareRx may periodically make changes to the Drug List. In the event of CMS-approved non-maintenance changes to the Drug List throughout the plan year, Navitus MedicareRx will notify you. Additionally, you may log in to the website at [www.Medicarerx.navitus.com](http://www.Medicarerx.navitus.com). Click on Members, then Login, to get to the member portal.

### **Does my plan cover Medicare Part B or Part D drugs?**

Navitus MedicareRx does not cover drugs that are covered under Medicare Part B as prescribed and dispensed, although the supplemental coverage benefit provided by SISC will pay secondary to Medicare Part B on select items such as diabetic testing supplies (review the Drug List to confirm coverage). Generally, we only cover drugs, vaccines, biologics, and medical supplies that are covered under the Medicare Prescription Drug Benefit (Part D) and that are on the Drug List. The drugs on the Drug List are selected by Navitus MedicareRx with the help of a team of doctors and pharmacists. The list must meet specific requirements set by Medicare. Medicare has approved the Navitus MedicareRx Drug List. The supplemental portion of your plan covers some additional drugs that are not typically part of the standard Medicare Part D Drug List.

**What is a Medication Therapy Management (MTM) Program?**

A Medication Therapy Management (MTM) Program is a service Navitus MedicareRx offers. You may be invited to participate in a program designed for your specific health and pharmacy needs. You may decide not to participate, but it is recommended that you take full advantage of this covered service if you are selected. There is no cost to you to participate in the MTM Program. If you have questions concerning our MTM Program please contact our Navitus MedicareRx Customer Care number listed on the back cover. For additional information regarding Medication Therapy Management, please refer to Chapter 3, Section 10, of your Evidence of Coverage.

**What are my protections in the plan?**

All Medicare prescription plans agree to stay in the program for a full year at a time. Each year, your employer group decides whether to continue for another year. If a plan decides not to continue, they must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare prescription coverage in your area.
